

Laboratory Instructions for Kaiser Permanente Patients

All patients seeking an outside provider, which is contracted with Kaiser Permanente can have labs drawn at a Kaiser Permanente Laboratory. See lab locations and hours of operation on the following pages.

Providers: Please use the [Kaiser Permanente laboratory requisition form](#).

Fill out the Kaiser Permanente lab requisition making sure to include all of the following:

- Patient name
- DOB
- Member's Kaiser Medical Record Number (MRN)
- Provider name, address, phone and fax number
- Include ICD-10 diagnosis code

Fax the signed and dated form to the number on the requisition: **303-404-4030**

Give the requisition or copy of it to the member so they can present it at the lab.

For the most current listing of lab providers for members with Kaiser Permanente plans, please visit kp.org/locations, search on keyword: **Lab**.
