

A health care team dedicated to YOU

Specialty Care now at Loveland Medical Offices

Loveland medical offices now offers select specialty care, so you can continue to save time and trips by taking care of many health care needs under one roof.

Dermatology at Loveland and Fort Collins

Dermatologists diagnose a variety of skin conditions ranging from acne to psoriasis and moles. Our team of specialists sees patients every Tuesday & Friday in Fort Collins and Wednesday & Thurs from 8:15 a.m. to 5 p.m. To make an appointment call **970-613-2450**, option 1, (TTY for the deaf, hard of hearing, or speech impaired: **711**), weekdays, 8:30 a.m. to 5 p.m.

Endocrinology at Loveland

Endocrinologists diagnose and treat everything from diabetes and thyroid disease to hypertension and hormonal disorders. Our team of specialists sees patients the 2nd, 3rd and 4th Tuesday of each month from 8 a.m. to 5 p.m. (3rd Tues may be virtual) To make an appointment call **970-613-2450**, option 2, (TTY: **711**), weekdays, 8:30 a.m. to 5 p.m.

Rheumatology at Loveland

Rheumatologists diagnose and treat autoimmune inflammatory diseases such as rheumatoid arthritis, lupus, and scleroderma. Services provided include physical examination of the hands, joint inspections, or other areas that may be causing discomfort. Our team of rheumatologists sees patients the 1st Tuesday, 2nd Friday & 3rd Monday every month from 9 a.m. to 4 p.m. to make an appointment call **970-613-2450**, option 3, (TTY: **711**), weekdays, 8:30 a.m. to 5 p.m.

Sleep Apnea at Loveland

Sleep apnea is a potentially serious sleep disorder in which breathing repeatedly stops and starts while you are sleeping. If you snore loudly and feel tired even after a full night's sleep, you may have sleep apnea. Our sleep apnea specialists see patients at the Loveland Medical Offices every Thursday from 8:30 a.m. to 4 p.m. To make an appointment call **970-613-2450**, option 4, (TTY: **711**), weekdays, 8:30 a.m. to 5 p.m.

Truly Coordinated Care

When you get care at Kaiser Permanente, your doctors, nurses, specialists, pharmacy, lab, and hospital can all share information through your electronic medical record and work together as a team to get you healthy. Sign up to view your medical record online at kp.org/register. You can request appointments, e-mail your doctor, view lab results, and more.
