

6. Provider Dispute Resolution Process

KP actively encourages our contracted Providers to utilize MSCC staff to resolve billing and payment issues.

If you remain unable to resolve your billing and payment issues, KP makes available to all Providers a fast, fair and cost-effective dispute resolution mechanism for disputes regarding invoices, billing determinations, or other contract issues. This dispute resolution mechanism is handled in accordance with applicable law and your Agreement. Please note that the process described in this section applies to disputes subject to the Knox-Keene Act. While we expect to use this process for other types of disputes, we are not required to do so.

This section of the Provider Manual gives you information about our dispute resolution process, but it is not intended to be a complete description of the law or the provisions of your Agreement. Please make sure that you review your Agreement and the applicable law for a complete description of the dispute resolution process. To the extent your Agreement expressly sets forth any longer time frame or additional process than as described below, the contractual provisions will apply to the extent not prohibited under applicable law.

6.1 Types of Disputes

The following describes the most common types of disputes:

- **Claims Payment Disputes:** Challenging, appealing or requesting reconsideration of a claim (or bundled group of claims) that has been denied, adjusted or contested by KP
- **Responding to Requests for Overpayment Reimbursements:** Disputing a request initiated by KP for reimbursement by you of overpayment of a claim
- **Other Disputes:** Seeking resolution of a contract dispute (or bundled group of contract disputes) between you and KP

6.2 Submitting Payment Disputes

If you have a dispute relating to the adjudication of a claim or a billing determination (collectively referred to herein as “payment dispute”) you may submit such payment disputes online via **Online Affiliate** or as a written notice to KP by U.S. Mail or other physical delivery. Either notice of a payment dispute is referred to in this Provider Manual as a “Provider Dispute Notice”.

6.2.1.2 Payment Disputes Related to Visiting Member Claims

For information concerning provider payment disputes related to claims for services rendered to visiting Members, please contact the Member's "Home" region's Medical Service call Center at their number provided in Section 5.13 of this manual.

6.2.2 Required Information for Provider Payment Dispute Notices

Your Provider Dispute Notice must contain at least the information listed below, as applicable to your payment dispute. If your Provider Dispute Notice does not contain all the applicable information listed below, we will reject the Provider Dispute Notice and will identify in writing the missing information necessary for us to consider the payment dispute. If you choose to continue the payment dispute, you must submit an amended Provider Dispute Notice to us within 30 Business Days from the date of such notification letter (but in no case later than 365 Calendar Days from KP's last action on the claim), making sure to include all elements noted therein as missing from your payment dispute. If KP does not receive your amended payment dispute within this time, our previous decision will be considered final, and you will have exhausted our provider payment dispute process.

Required Information

- Your name, the tax identification number under which services were billed and your contact information

- If the payment dispute concerns a claim or a request for reimbursement of an overpayment of a claim, a clear identification of the disputed item using KP's original claim number, the date of service, and a clear explanation of the basis upon which you believe that the payment amount, request for additional information, request for reimbursement for the overpayment of a claim, contest, denial, adjustment or other action is incorrect
- If the payment dispute involves a Member or a group of Members, the name(s) and KP Medical Record Number(s) (MRN(s)) of the Member(s) must be included in addition to the information above

Your Provider Dispute Notice may be submitted by you or by a representative (for example, a billing service, a collection agency or an attorney) authorized by you to perform this function. If your authorized representative submits your Provider Dispute Notice, that representative will be required to provide confirmation that an executed business associate agreement between you, as the provider of health care services, and such representative is in place and that it complies with HIPAA. If the copy of the business associate agreement is not included, the dispute documentation will be returned to the submitting third party/representative until the business associate agreement is included.

We recommend you or your representative submit each Provider Dispute Notice, related to either an emergency or referred services claim, with KP's Provider Dispute Resolution Request form (PDRR). You may contact KP at the telephone number indicated on the explanation of payment (EOP) or call KP's Provider Dispute Resolution Unit at **(925) 924-5050** to obtain the PDRR form. Alternately, you or your representative may submit a payment dispute in writing without a PDRR, including all the required information outlined above, or online via Online Affiliate (see Section 6.2.1).

6.2.3 Time Period for Submission of Provider Dispute Notices

Subject to any longer period specifically permitted under your Agreement or required under applicable law, Provider Dispute Notices must be received by KP within 365 Calendar Days from our action (or the most recent action if there are multiple actions) that led to the dispute, or in the case of inaction, the Provider Dispute Notice must be received by KP within 365 Calendar Days after our time for contesting or denying a claim (or most recent claim if there are multiple claims) has expired.

6.2.4 Timeframes for Acknowledgement of Receipt and Determination of Provider Dispute Notices

We will acknowledge receipt of your Provider Dispute Notice submitted in accordance with the above requirements within 15 Business Days after KP's receipt of hardcopy submission, or within 2 Business Days after KP's receipt of online submission. We will reject any payment dispute you submit that does not include all required information as described above as an incomplete payment dispute and will take no further action on that incomplete submission unless it is resubmitted completely as required above and within the applicable time frame. KP will issue a resolution letter explaining the reasons for our determination, to the extent required by applicable law, within 45 Business Days after the date of receipt of the complete Provider Dispute Notice.

6.2.5 Instructions for Resolving Substantially Similar Payment Disputes

If you are considering submitting more than twenty (20) substantially similar payment disputes, you are encouraged to first reach out to one of the following KP resources as we may be able to identify a root cause and streamline the resolution process:

Referral and Continuum of Care claims payment disputes: **(925) 924-**

5050. Emergency services claims payment disputes: **(800) 390-3510**

Online Affiliate cannot be utilized to submit batches of substantially similar payment disputes. If you proceed with filing substantially similar multiple payment disputes, they may be filed in writing in batches, submitted via U.S. Mail or other physical delivery, and include the following information:

Each claim being disputed must be individually numbered and contain the provider's name, the provider's tax identification number, the provider's contact information, the original KP claim number (if the dispute is claim related), the Member's MRN (if the dispute concerns care provided to a specific Member or Members), date(s) of service, clear identification of the item(s) being disputed for each claim and an explanation of the basis for each dispute.

The submission must include all these data elements as well as any documentation you wish to submit to support your dispute. Any submission of substantially similar payment disputes that does not include all required elements will be rejected as incomplete and will need to be re-submitted with all necessary information.

6.3 Disputing Requests for Overpayment Reimbursements
