

Kaiser Permanente Affiliated Practitioner Data Collection through CAQH

Kaiser Permanente has partnered with a non-profit alliance, The Council for Affordable Quality Healthcare (CAQH), to ***reduce redundancies in practitioner data collection for directory services and ease administrative burden on your practice.***

There is ***no charge*** for practitioners to utilize CAQH ProView and participation is ***strongly recommended***. We urge all the practitioners in your practice to enroll in CAQH by following the steps below.

Step 1: Registration

It is easy to get started now:

If you are new to CAQH, visit <https://proview.caqh.org/PR/Registration> to start your registration.

Or, contact the CAQH Help Desk at **1-888-599-1771**.
Representatives are available Monday - Thursday 7 AM - 9 PM EST
and Friday 7 AM - 7 PM EST.

After registering, you will receive a welcome e-mail from CAQH with your assigned ID and a link to complete your account. Use the link to log on to your account and enter any additional information in the "Profile Data" section and/or supporting documentation in the "Documents" section.

Step 2: Authorize Kaiser Permanente to Access Your Information

In the "Authorize" section of your profile, select and authorize release of your profile information to Kaiser Permanente. If you have an existing CAQH profile, please ensure you have authorized Kaiser Permanente to have access to your information.

Step 3: Complete & Attest to Your Profile

After entering all necessary data, select the "Review & Attest" button to review your data and ensure its accuracy. Select "Attest" to submit and complete your profile.

Step 4: Ongoing Updates & Re-attesting

CAQH will reach out to you via e-mail on a quarterly basis requesting you to review, update, and re-attest to your profile information.
