

# CONTRACTED URGENT CARE CENTERS

## Urgent care on Maui and Hawaii Island

The following urgent care centers on Maui and Hawaii Island are contracted with Kaiser Permanente. These urgent care centers are available to you after our Kaiser Permanente facilities are closed. Your regular office copay will be collected at the time of service. If, upon review, your medical need is considered nonurgent, then you will be sent a bill for the full cost of care, including prescriptions.

We recommend you contact your Kaiser Permanente facility or call the 24/7 advice line before you go to an urgent care center.
