

Option 2

Participating providers

In this section, you will find providers available through the PHCS and/or MultiPlan networks, which are customized for Kaiser Permanente and serve as the primary PPO network for Option 2 of your health plan.

Your out-of-pocket costs for services you receive from Option 2 providers will usually be higher than those for Option 1 providers.

For the specific terms, benefits, and services available to you, please refer to your current *Certificate of Insurance*.

For the most up-to-date listings of physicians and other providers in the PHCS and MultiPlan networks, visit multiplan.com/kpmas or call 888-220-6010.

Hospitals*

The following is a partial list of PHCS and MultiPlan participating network hospitals located in the Kaiser Permanente service area and a few counties just outside the service area. The hospitals shown below are not contracted directly with Kaiser Permanente so the list may not be current. For updated information, visit www.phcs.com.
