

Kaiser Permanente Specialists

Especialistas de Kaiser Permanente

The following is a list of the Mid-Atlantic Permanente Medical Group, P.C., (Permanente) physicians in our service area who may provide specialty care to you as of the publication date. If your primary care physician (PCP) decides that you require covered services from a specialist, you will be referred to one who can provide the care you need. Permanente specialists are available in almost all specialties and allow you to experience the full value of integrated care enabled by the communication and coordination made possible by our state-of-the-art electronic medical record system.* If your PCP decides that you require covered services not available from us, he or she will request authorization to send you to a non-plan provider inside or outside of our service area. You must have an approved, written referral to the non-plan provider in order for us to cover the services.

There are specific services that do not require a referral from your PCP. However, you must obtain care from a MAPMG specialist. These services include initial consultation for treatment of mental illness, emotional disorders, drug or alcohol abuse, routine gynecological services, optometry services, and urgent care services provided inside our service area. For more information about getting a referral, please refer to your *Evidence of Coverage* (EOC).

A continuación se presenta una lista de los médicos de Mid-Atlantic Permanente Medical Group, P.C., (Permanente) en nuestra área de servicio que pueden brindarle atención especializada a partir de la fecha de su publicación. Si su médico de atención primaria (PCP) decide que usted necesita servicios cubiertos de parte de un especialista, se le remitirá a uno que pueda brindarle la atención que necesita. Los especialistas de Permanente están disponibles en casi todas las especialidades y le permiten gozar del valor completo de una atención integrada lograda por la comunicación y coordinación que son posibles gracias a nuestro sistema electrónico de última tecnología de registros médicos. Si su médico de atención primaria decide que usted requiere servicios cubiertos que nosotros no tenemos disponibles, solicitará una autorización para enviarle a un proveedor ajeno al plan dentro o fuera de nuestra área de servicio. Para que podamos cubrir estos servicios, usted tiene que tener una orden médica aprobada y por escrito remitiéndole al proveedor ajeno al plan.

Hay servicios específicos que no requieren una orden de su médico de atención primaria. Sin embargo, para ello usted tiene que recibir el servicio de un especialista de MAPMG. Estos servicios incluyen la consulta inicial para el tratamiento de una enfermedad mental, desórdenes emocionales, abuso de drogas o alcohol, servicios ginecológicos de rutina, servicios de optometría y servicios de atención urgente prestados dentro de nuestra área de servicio. Para mas información sobre como obtener la referencia, haga el favor de ver su Evidence of Coverage (EOC, por sus siglas en inglés).
