# Sección A: Introducción

Este directorio ofrece una lista de los proveedores de la red de Kaiser Permanente.

## Su proveedor de atención primaria

Deberá elegir uno de los proveedores de nuestra red que aparecen en este directorio como su proveedor de atención primaria (PCP). El término “PCP” se usará en todo el directorio. Por lo general, deberá obtener los servicios de atención médica de su PCP.

Su PCP cumple las normas estatales y está capacitado para brindarle atención médica primaria. Suele ejercer la medicina general, también llamada medicina interna o medicina familiar. Las mujeres también pueden elegir especialistas en obstetricia y ginecología que el grupo médico designe como proveedores de atención primaria. En algunos centros de atención, también tiene la opción de escoger un profesional de enfermería avanzada (NP) o un asistente médico profesional (PA) como su PCP.

Su PCP le brindará la mayor parte de la atención. Si necesita un especialista, su PCP le ayudará a elegir un médico de esa especialidad y trabajará con él o ella como parte de su equipo de atención médica.

Puede elegir su PCP de cualquiera de nuestros médicos de atención primaria, profesionales de enfermería avanzada o asistentes médicos que estén disponibles. Cuando lo haya elegido, su decisión será efectiva de inmediato. Si lo desea, puede cambiar su PCP por cualquier motivo.

## Elegir o cambiar de médico

Consideramos que una parte importante de su salud integral es construir una relación personal con su médico de atención primaria, asistente médico o profesional de enfermería avanzada. Este profesional es quien le brinda apoyo para sus necesidades y metas de salud, y le ayuda con todo, desde sus

exámenes de atención preventiva y consejos para llevar una vida más sana hasta brindarle tratamiento cuando se enferma.

Sin importar si es miembro nuevo de Kaiser Permanente o si es miembro desde hace mucho tiempo y busca un cambio, elegir un médico personal para coordinar su atención es sencillo. Puede buscar información acerca de las certificaciones, las especialidades, los intereses y los idiomas que habla cada médico y mucho más en [kp.org/finddoctors](http://kp.org/finddoctors) para encontrar el que sea adecuado para usted.

Si lo desea, puede cambiar de médico en cualquier momento y por cualquier motivo.

## Atención para sus necesidades personales

Puede elegir un médico personal de uno de los departamentos que se mencionan a continuación:

- **Medicina para Adultos o Interna** (internistas);
- **Medicina Familiar** (profesionales de medicina familiar);
- **Obstetricia y Ginecología** (Ob-Gyn).

## Profesional de enfermería avanzada

En algunos centros, también tiene la opción de elegir un profesional de enfermería avanzada.

Los profesionales de enfermería avanzada son enfermeros titulados que cuentan con capacitación y educación de nivel avanzado. Los profesionales de enfermería avanzada pueden diagnosticar y tratar una amplia variedad de condiciones médicas, expedir recetas médicas, solicitar e interpretar análisis de laboratorio y pruebas de imágenes diagnósticas, y brindar consejos y educación a los miembros y a sus familiares. Trabajan bajo la supervisión y con el apoyo de un

médico y de acuerdo con procedimientos cuidadosamente controlados.

## **Cómo elegir o cambiar su médico**

### **En línea**

Vaya a [kp.org/finddoctors](http://kp.org/finddoctors). Encuentre información sobre los médicos que están disponibles y elija el que sea adecuado para usted.

### **Por teléfono**

Llame al número del Departamento de Integración de los Miembros o de Servicio de Elección de Médico del centro de atención en el que espera recibir la mayor parte de su atención. Los miembros de su familia pueden elegir diferentes médicos en diferentes centros de atención.

## **Cómo Obtener la Atención Cubierta con su Cobertura de Medicare**

Debe usar los proveedores de la red, excepto en situaciones que requieran atención de emergencia o de urgencia, o para hacerse diálisis renal fuera del área. Si recibe cuidados de rutina de proveedores fuera de la red, ni Medicare ni Kaiser Permanente serán responsables de pagar los costos.

Los proveedores de la red que aparecen en este directorio han acordado brindarle cobertura de atención médica y de servicios para la vista. Puede acudir a cualquiera de los proveedores de nuestra red que aparecen en este directorio. Sin embargo, es posible que se necesite una referencia para recibir algunos servicios.

Su PCP le referirá a un especialista del plan cuando considere que necesita atención especializada. Algunos especialistas, como los especialistas en cirugía, ortopedia, cardiología, oncología, dermatología y terapia física, ocupacional y del habla, requieren una referencia. Sin embargo, no necesita una referencia para recibir atención especializada de proveedores de la red en las áreas

de obstetricia y ginecología, optometría, psiquiatría y farmacodependencia.

## **Cómo Obtener Atención Cubierta por Medi-Cal para Miembros inscritos en un Plan Kaiser Permanente D-SNP**

Puede acudir a los proveedores de la red de Kaiser Permanente para atender la mayoría de sus necesidades de atención médica. Puede obtener atención de rutina, incluida la atención preventiva, de proveedores de la red, incluidos especialistas, hospitales y otros proveedores de la red de Medi-Cal de Kaiser Permanente.

Para obtener más información sobre los proveedores de nuestra red, llame a nuestro Departamento de Servicio a los Miembros. También puede encontrar los proveedores de la red y las ubicaciones de Kaiser Permanente en línea en [kp.org/facilities](http://kp.org/facilities).

Debe obtener una autorización previa de nuestra parte antes de ir con un proveedor fuera de la red de Kaiser Permanente, incluso dentro de la región base, excepto en las siguientes situaciones:

- Usted necesita atención de emergencia. Si necesita atención de emergencia, llame al **911** o vaya al hospital más cercano.
- En caso de que esté fuera de su región base y necesita atención de urgencia, puede acudir a cualquier proveedor de atención de urgencia sin autorización previa.
- En caso de que necesite servicios de planificación familiar, puede acudir a cualquier proveedor de Medi-Cal sin autorización previa.
- En caso de que necesite servicios de salud mental para pacientes ambulatorios, puede acudir a un proveedor de la red o a un proveedor

de salud mental del plan dentro del condado sin autorización previa.

Si no se encuentra en una de estas situaciones y no obtiene la aprobación previa ni recibe atención de un proveedor fuera de la red, es posible que deba pagar los servicios que recibe de ese proveedor fuera de la red. Los proveedores de Kaiser Permanente que se encuentran fuera de su región base son proveedores fuera de la red.

### **Facturas de los proveedores fuera de la red**

Si recibe una factura de un proveedor fuera de la red, no debe pagarla. Envíela a nuestro Departamento de Reclamos y se le informará cuánto debe pagar.

Claims Department  
P.O. Box 24010  
Oakland, CA 94623-1010

### **Atención de emergencia y de urgencia**

Si tiene una condición médica de emergencia, llame al **911** o vaya al hospital más cercano. Ante una condición médica de emergencia, cubriremos la atención de emergencia que reciba en cualquier parte del mundo.

Para mayor conveniencia y continuidad de la atención de salud, le recomendamos ir al Departamento de Emergencias de un hospital del plan si está en nuestra área de servicio, pero solo si es razonable hacerlo, teniendo en cuenta su condición o los síntomas que presente.

Si tiene una emergencia, hablaremos con los médicos que le brinden atención de emergencia para ayudar a coordinar su atención y darle seguimiento. Los médicos que le proporcionen atención de emergencia determinarán en qué momento su condición está estable y cuándo termina la emergencia médica.

Después de ese momento, tiene derecho a acceder a la atención de seguimiento para asegurarse de que su condición continúe estando estable. Nuestro plan cubrirá su atención de seguimiento. Si quienes le brindan atención de emergencia son proveedores fuera de la red, intentaremos hacer gestiones para que los proveedores de la red se encarguen de su atención tan pronto como su estado y las circunstancias lo permitan. Es muy importante que su proveedor fuera de la red nos llame para obtener autorización para la atención de posestabilización antes de recibir la atención del proveedor fuera de la red. Usted será responsable de los costos únicamente si el proveedor fuera de la red o nosotros le informamos acerca de su posible responsabilidad.

Usted debe usar los proveedores de la red, excepto en situaciones que requieran atención de emergencia o urgencia, o para hacerse diálisis renal fuera del área, o que requieran otros servicios. Si recibe cuidados de rutina de proveedores fuera de la red, ni Medicare ni Kaiser Permanente serán responsables de pagar los costos.

# **Servicios y apoyos a largo plazo para miembros que tienen cobertura de Kaiser Permanente Medicare y Medi-Cal**

En este directorio también se enumeran proveedores de servicios y apoyos a largo plazo (LTSS) (como proveedores de salud diurna para adultos y salud domiciliaria) que puede usar como miembro de Senior Advantage Medicare Medi-Cal.

Como miembro de Senior Advantage Medicare Medi-Cal, podrá recibir servicios y apoyos a largo plazo (LTSS) si los necesita. Los LTSS ayudan a las personas que necesitan asistencia con las tareas cotidianas, como tomar un baño, vestirse, cocinar y tomar medicamentos. Muchos de estos servicios se prestan en su hogar o en su comunidad, pero pueden brindarse en un centro de adultos mayores y personas con discapacidad u hospitales.

Si necesita LTSS, su coordinador de atención puede ayudarles a usted y a su equipo de atención a determinar las opciones disponibles para ayudarle de la forma que desea.

# Otros proveedores para miembros que tienen cobertura de Kaiser Permanente Medicare y Medi-Cal

Los servicios de administración de la atención mejorada y apoyos comunitarios requieren autorización previa y se limitan a miembros que cumplen criterios específicos de elegibilidad.
