Provider and Pharmacy Directory

This combined directory is current as of August 1, 2023.

For more recent information or other questions about the information contained in this directory, please call Kaiser Permanente Member Services at **1-800-805-2739**, seven days a week, 8 a.m. to 8 p.m. TTY users should call **711**. Or you may visit **kp.org** or **kp.org/seniorrx**.

Changes to our pharmacy network may occur during the benefit year. An updated pharmacy directory combined with the provider directory is located on our website at **kp.org/directory**. You may also call Member Services at **1-800-805-2739** (TTY/TDD users should call **711**) for updated information.

PROVIDER DIRECTORY SECTION

The **Provider Directory section** provides a list of Kaiser Permanente's current network providers for our Hawaii service area, which includes the following counties: Honolulu, Maui*, and Hawaii*. Counties with an asterisk * are only partly covered by our service area. If you live in a partly covered county, please see the service area description inside for the ZIP codes that are in our service area.

Dental Providers. For dental care to be covered, services must be provided by Hawaii Dental Service (HDS) Medicare Advantage Network dentists, except in an emergency. While your dentist may be an HDS provider, it's possible they may not be part of the HDS Medicare Advantage Network, and therefore you will need to consider switching to an HDS Medicare Advantage Network dentist for your dental care to be covered. To access the HDS online directory of network dentists, visit **hawaiidentalsservice.com/findadentist**. For any questions about the information contained in the dentist directory, please call HDS Customer Service at **1-844-379-4325**, Monday through Friday, 7:30 a.m. to 4:30 p.m.

This document is available in a different format for the visually impaired by calling our Member Services at the number listed above

Acupuncture and Chiropractic Providers. To access the American Specialty Health (ASH) online directory of network providers for acupuncture and chiropractic for Medicare members, you can visit the Kaiser Permanente website [kp.org](https://www.kp.org) (make sure you've selected "Hawaii"), then from the menu bar, click "Doctors & Locations," then click the link that states "Search our contracted acupuncture, chiropractic, ... providers" This will take you to the ASHLink page. Once on the ASHLink page, click the "Medicare Provider Search" link for Medicare members. For any questions about the information contained in their directory, please call ASH Customer Service at **1-800-678-9133**, Monday through Friday, 5 a.m. to 8 p.m. PST. TTY users should call **1-877-710-2746**.

PHARMACY DIRECTORY SECTION

The **Pharmacy Directory section** provides a list of our plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the **Evidence of Coverage** and Kaiser Permanente's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy or through our mail order program. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your **Evidence of Coverage**.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of August 1, 2023. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

To access Kaiser Permanente's online combined provider and pharmacy directory, you can visit [kp.org](https://www.kp.org) or [kp.org/seniorrx](https://www.kp.org/seniorrx).

To request a hard copy of Kaiser Permanente's combined provider and pharmacy directory, please call our Member Services Department at **1-800-805-2739**, seven days a week, 8 a.m. to 8 p.m. Kaiser Permanente will mail a hard copy of the directory to you within three (3) business days of your request. Kaiser Permanente may ask whether your request for a hard copy is a one-time request or if you are requesting to receive the combined provider and pharmacy directory in hard copy permanently.

If you request it, your request for hard copies of the combined provider directory and pharmacy directory remains until you leave Kaiser Permanente or request that hard copies be discontinued.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Section 1 - Introduction

This directory provides a list of Kaiser Permanente's network providers. To get detailed information about your health care coverage, please see your **Evidence of Coverage (EOC)**.

Your Primary Care Physician

You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider (PCP)**. The term "PCP" will be used throughout this directory. Generally, you must get your health care services from your PCP.

Your PCP is a health care professional who meets state requirements and is trained to give you primary medical care. Your PCP is a generalist in internal medicine, family practice, or specialists in obstetrics-gynecology whom the Medical Group designates as Primary Care Providers. At some medical offices, you also have the options of choosing a nurse practitioner (NP) or physician assistant (PA) to be your PCP. Please note: Female members may elect to see an OB-GYN for their routine health maintenance exams, while seeing their designated PCP if non-female specific problems arise.

Your PCP will provide most of your care and will arrange or coordinate most of the covered services you get as a member of our plan, including specialty care.

You may choose a PCP from any of our available primary care network providers. You can change your PCP for any reason, at any time. When you make a selection, it is effective immediately. To learn how to select or change a PCP, please call Member Services at **1-800-805-2739**, 7 days a week from 8 a.m. to 8 p.m. (TTY 711) or visit us online at **kp.org/chooseyourdoctor**.

Getting Covered Care

You have many ways to get convenient, coordinated care from Kaiser Permanente when it works for you. You can get care 24/7 (by phone or video, no appointment necessary), online (by video or email), by phone, or in-person. Learn more at **kp.org/getcare**.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. In most situations, your network PCP must give you a referral in advance before you can use other providers in our plan's network, such as specialists, hospitals, skilled nursing facilities, or home health care agencies. For example, to see a specialist, you usually need to get your PCP's approval first (this is called getting a "referral" to a specialist). If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers, for example: emergency or urgently needed services when our network providers are temporarily unavailable, out-of-area kidney dialysis services, and authorized referrals for services not available from network providers. For some types of services, your PCP will submit a request to get approval in advance from our Plan or Medical group (this is called getting "prior authorization"). It is very important to get approval in advance from your PCP before you see a Plan specialist or certain other providers.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services.

If you obtain routine care from out-of-network providers, neither Medicare nor Kaiser Permanente will be responsible for the costs.

Bills from out-of-network providers

If you receive a bill from an out-of-network provider, you should not pay the bill. Send it to our Claims Administration department and they will let you know how much you have to pay.

Emergency and urgent care

If you have an emergency medical or mental health condition, call 911 or go to the nearest hospital. When you have an emergency medical or mental health condition, we cover emergency care anywhere in the world.

For ease and continuity of care, we encourage you to go to a Plan hospital Emergency Department if you are inside our service area, but only if it is reasonable to do so, considering your condition or symptoms.

If you have an emergency, we will talk to the doctors who are giving you emergency care to help manage and follow up on your care.

The doctors who are giving you care will decide when your condition is stable and the medical or mental health emergency is over. After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable.

We will cover your follow-up post-stabilization care in accord with Medicare guidelines. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

It is very important that your provider call us to

get authorization for post-stabilization care before you receive the care from the out-of-network provider. In most cases, you will only be held financially liable if you are notified by the out-of-network provider or us about your potential liability.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services.

If you obtain routine care from out-of-network providers, neither Medicare nor Kaiser Permanente will be responsible for the costs.

"Urgently needed services" are a nonemergency, unforeseen medical illness, injury, or condition that requires immediate medical care. You should always try to obtain urgently needed services from network providers. Urgently needed services may be furnished by out-of-network providers when network providers are temporarily unavailable or inaccessible. The unforeseen condition could, for example, be an unforeseen flare-up of a known condition that you have.

Hospital services

Moanalua Medical Center

24/7 virtual care

Connect with a clinician 24/7, by phone or video, no appointment necessary. This is used when you need rapid, convenient medical care that can be addressed virtually, but does not require immediate hands-on assistance from a healthcare professional or warrant an emergency department or urgent care visit. Examples include a urinary tract infection, pink eye, or cold and flu where a clinician can diagnose, recommend treatment, and provide guidance about follow-up care.

Urgent care

When you have a health need that can't wait

until the next day, urgent care is available. Please call **1-833-833-3333** before your visit. In some cases, your urgent condition can be addressed through a virtual visit by phone or video. If seen for urgently needed services in the Urgent Care department at this facility, your urgent care office visit copayment will be collected a time of service. All patient fees for other services also may be collected that day. Check your Evidence of Coverage for details.
