## B. Background Information about our Kaiser Permanente's Network Providers

### B1. Key terms

This section explains key terms in our directory.

- **Providers** are professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, Long-term Services and Supports (LTSS), supplies, prescription drugs, equipment, and other services.
- The term “**providers**” includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment.
  - It also includes LTSS providers that you may use as a Kaiser Permanente Dual Complete member.
  - Providers that are a part of our plan's network are called network providers.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider (PCP)** is the licensed provider who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. You can choose your personal doctor from one of the departments listed next.
  - Adult or Internal Medicine (Internists)
  - Family Medicine (Family practitioners)
  - Obstetrics-Gynecology (Ob-Gyn)
  - Nurse practitioners (available at some facilities)
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
  - Oncologists care for patients with cancer.
  - Cardiologists care for patients with heart conditions.
  - Orthopedists care for patients with certain bone, joint, or muscle conditions.

---

 **If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 7 days a week, 8 a.m. to 8 p.m. The call is free. **For more information**, visit [kp.org/medicare](https://kp.org/medicare).

- You may need a **referral** or **prior authorization** for a specialist or someone that is not your PCP. A **referral** means that your PCP must give you approval before you can use the other provider. A **prior authorization** is different than a referral. It means that **Kaiser Permanente** must give you approval **before** we will cover a specific service, item, or drug or an out-of-network provider. If you don't get a referral or prior authorization, Kaiser Permanente Dual Complete we may not cover the service, item, or drug.
  - Referrals or prior authorization are **not** needed for:
    - emergency care;
    - urgently needed care from a network provider or urgent care when you are outside the Kaiser Permanente service area;
    - kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area; or
    - services from a women's health specialist.
    - optometry, psychiatry, or substance use disorder services.
  - Additionally, if you are an American Indian Member, you may receive services from an Indian Health Care Provider without a referral. We must pay the Indian Health Care Provider for those services even if they are out of our plan's network.
  - More information on referrals and prior authorization is available in **Chapter 3** of the *Member Handbook*.
- You will also be assigned a **Care Team**. Your **Care Team** is an interdisciplinary group of providers who will partner with you to develop a care plan to meet your health goals. Everyone on the Care Team works together to make sure your care is coordinated. This means that they make sure that you get all of the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your Care Team may include:
  - A **Care Coordinator** that helps you manage your medical providers and services and serve as your primary point of contact with your Care Team. Your Care Coordinator will work with you to complete a comprehensive assessment to identify your health needs. Your Care Coordinator will help to ensure your health record is up-to-date.
  - Your **Primary Care Provider**
- Your Care Team will also help you find other providers of medical, behavioral health, or Long-term Services and Supports (LTSS) if you need a specialist or other health care provider. That way, you will get the right provider to help you with your concerns.

---

 **If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 7 days a week, 8 a.m. to 8 p.m. The call is free. **For more information**, visit [kp.org/medicare](https://kp.org/medicare).

## **B2. Wait times for primary care and behavioral health**

We must provide you with access to primary care and behavioral health services within the following timeframes:

- Immediately for urgently needed services or an emergency;
- Within 7 days for services that are not an emergency or urgently needed, but you require medical attention; or
- Within 30 days for routine and preventative care.

## **B3. How to choose a Primary Care Provider (PCP)**

First, you will need to choose a Primary Care Provider (PCP) within 30 days of enrolling in Kaiser Permanente Dual Complete. You can choose any PCP in our network who is accepting new members.

To help you find a doctor who is right for you, you can browse our online doctor profiles at [kp.org/finddoctors](http://kp.org/finddoctors). You can find out which doctors are taking new patients and choose one who matches your needs.

Adults can choose a PCP from the following:

- Adult medicine/internal medicine
- Family medicine
- Specialists in OB/GYN whom The Permanente Medical Group (“Medical Group”) designates as PCPs

Each covered family member may choose their own personal doctor. Depending on the type of the provider, you may be able to choose one PCP for your entire family who are members of Kaiser Permanente.

- To choose a PCP, refer to the list of Kaiser Permanente providers in section C and choose a:
  - that you use, **or**
  - who has been recommended by someone you trust, **or**
  - whose offices are easy for you to get to.

---

 **If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 7 days a week, 8 a.m. to 8 p.m. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

- If you do not choose a PCP in our network, Kaiser Permanente will choose one for you.
- If you want help in choosing a PCP, please call Member Services at 1-800-443-0815 (TTY 711), 7 days a week, 8 a.m. to 8 p.m. The call is free. Or visit [kp.org/finddoctors](https://kp.org/finddoctors).
- If you have questions about whether any service or care that you want or need is covered, talk to your Care Team or call Member Services at 1-800-443-0815 (TTY 711) and ask before you get the service or care.

#### **B4. Long-term Services and Supports (LTSS) providers**

As a Kaiser Permanente Dual Complete Plan member, you will be able to get Long-term Services and Supports (LTSS) if you need them, such as long-term care or Home and Community-Based Waiver Services. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

If you need LTSS, your Care Coordinator can help you and your Care Team determine what options are available to support you in the way you want.

#### **B5. How to access Kaiser Permanente network providers**

You may need a referral for someone who is not a Primary Care Provider (PCP). There is more information about referrals in **section B1**.

You must get most of your covered services from providers within our network. If you need care from a provider who is outside of our network, we will refer you to a qualified out-of-network provider and authorize your care. If you use providers who are not in our network (**without prior authorization**), you will have to pay the bill.

A **prior authorization** is an approval from Kaiser Permanente to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

---

 **If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 7 days a week, 8 a.m. to 8 p.m. The call is free. **For more information**, visit [kp.org/medicare](https://kp.org/medicare).

The only exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also go outside the plan for other non-emergency services if Kaiser Permanente gives you permission first.

- You may change providers within the network at any time during the year. If you have been using one network provider, you do not have to keep using that same provider.
- Kaiser Permanente works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and are not sure if they offer the accommodations you need, Kaiser Permanente can help you. Talk to your care team or your care coordinator for assistance.

Kaiser Permanente enrollees have full and equal access to covered services, including enrollees with disabilities as required under the Federal Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973, and in compliance with federal and state laws that prohibit discrimination based on disability.

## Facility physical accessibility survey

We conduct physical accessibility surveys at certain facilities as required by the California Department of Health Care Services (DHCS). These surveys evaluate 6 areas of access: parking, building exterior, building interior, restrooms, exam rooms, and exam table/scale. For Affiliated Providers and Affiliated Locations, physical accessibility information may be publicly available or self-reported by such providers rather than surveyed by Kaiser Permanente. To help you understand how the survey determines if a facility is accessible for people with disabilities, the following are the levels of accessibility:

**Basic access:** The facility demonstrates physical accessibility for people with disabilities for each of the following 5 areas surveyed: parking, outside building, inside building, restrooms, and exam rooms.

**Limited access:** The facility demonstrates physical accessibility for people with disabilities for some but not all of the following 5 areas surveyed: parking, outside building, inside building, restrooms, and exam rooms.

**Medical equipment access:** The facility demonstrates that patients with disabilities have access to height-adjustable exam tables and weight scales accessible to patients with wheelchairs and scooters. Also indicated by the T symbol described below.

---

 **If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 7 days a week, 8 a.m. to 8 p.m. The call is free. **For more information**, visit [kp.org/medicare](https://kp.org/medicare).

## Key to physical accessibility symbols

There is an accessible entrance to the building. Doors open wide enough to let a wheelchair or scooter enter and have handles that are easy to use.

**IB = interior (inside) building:** Doors open wide enough to let a wheelchair or scooter enter and have handles that are easy to use. Interior ramps are wide enough and have handrails. Stairs, if available, have handrails. If there is an elevator, it is available for public use at all times when the building is open. ## C14. LTSS

As a Senior Advantage Medicare Medi-Cal member, you may be able to get Long-term Services and Supports (LTSS) if you need them. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

If you need LTSS, your care coordinator can help you and your Care Team determine what options are available to support you in the way you want

## C15. Telehealth only (total 302)

Referrals may be necessary to access these services for non-emergency care.

## D. Background Information about our Kaiser Permanente Network Pharmacies

This Directory lists the pharmacies that you may use to get your prescription drugs. These are referred to as **network pharmacies** in this Directory. These network pharmacies are pharmacies that **participate in and accept** the plan's Medicare Part D network and have agreed to provide prescription drugs to you as a member of the plan.

While most of the prescription drugs you get from a pharmacy are covered by our Kaiser Permanente Dual Complete Plan, other drugs may be covered by Medi-Cal. This can include some over-the-counter medications and certain vitamins. For drugs covered by Medi-Cal, please visit the Medi-Cal Rx website ([medi-calrx.dhcs.ca.gov](http://medi-calrx.dhcs.ca.gov)) for more information. You can also call the Medi-Cal Rx Customer Service Center at 1-800-977-2273 (TTY 711), 24 hours a day, 7 days a week. Please bring your Medi-Cal Beneficiary Identification Card (BIC) when getting prescriptions through Medi-Cal Rx.

Please contact Member Services at 1-800-443-0815 (TTY 711), 7 days a week, 8 a.m. to 8 p.m., or your Care Coordinator for assistance.

We also list pharmacies that are in our transplant network but are outside our Northern California Region. Eligible members may also fill prescriptions at these pharmacies. Please contact our Member Services Department for more information,

Kaiser Permanente Dual Complete Plan members must use network pharmacies to get prescription drugs except in emergency or urgent care situation.

- If you use an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service.
- Read the Kaiser Permanente Dual Complete Plan *Member Handbook* for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

For up-to-date information about our network pharmacies in your area, please visit our website at [kp.org/facilities](http://kp.org/facilities) or call Member Services at 1-800-443-0815 (TTY 711), 7 days a week, 8 a.m. to 8 p.m. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Member Handbook* and Kaiser Permanente Dual Complete Plan's *List of Covered Drugs*. For an updated formulary, please visit our website at [kp.org/seniorrx](http://kp.org/seniorrx) or call us.

---

 **If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 7 days a week, 8 a.m. to 8 p.m. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

## D1. Types of pharmacies in Kaiser Permanente's network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Indian Health Care Provider (IHCP) and Urban Indian Health Organization (UIO) Pharmacies
- Specialty pharmacies
- Transplant network pharmacies outside the Northern and Southern California Regions

You are not required to continue using the same pharmacy to fill your prescriptions.

## D2. Long-term supplies of prescriptions

- Mail-Order Programs. You may order prescription refills of certain medications through our mail-order service online at [kp.org/refill](https://kp.org/refill) or by phone or mobile app, which may lower your costs for up to a 100-day supply. A 100-day supply has the same copay as a one-month supply. Please contact us at least 5 days before your refills run out. Generally, you should receive them within 3 to 5 days. If not, please contact the mail-order phone number on the prescription label for assistance. Not all drugs can be mailed; restrictions and limitations apply. For more information, please visit [kp.org/seniorrx](https://kp.org/seniorrx) or call the phone number below.

---

 **If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 7 days a week, 8 a.m. to 8 p.m. The call is free. **For more information**, visit [kp.org/medicare](https://kp.org/medicare).

## **E2. Mail-order pharmacy(ies)**

You can get prescription drugs shipped to your home through our network mail order delivery program. For refills of your mail order prescription, please contact us 5 days before you think you will run out of the medications you have on hand. This is to make sure your next order is shipped to you on time. Typically, you should expect to receive your prescription drugs within 3 to 5 days from the time the mail order pharmacy receives your order. If you do not receive your prescriptions within this timeframe or if you need to ask for a refund for prescriptions, you got that you did not want or need, please contact us at 1-866-206-2983 (TTY 711) for assistance. You can also call the number on your prescription label. To learn more about mail-order pharmacies, refer to **Chapter 5** of the *Member Handbook*.

If you cannot wait for your prescription to arrive from our mail order pharmacy, you may get an urgent supply by calling a Kaiser Permanente or affiliated network pharmacy. You can find a pharmacy in this directory or through our online searchable directory at [kp.org/facilities](http://kp.org/facilities).
