

Kaiser Permanente Senior Advantage (HMO) Plan

2026 Provider and Pharmacy Directory

This combined directory is current as of September 01, 2025.

This directory provides a list of Kaiser Permanente Senior Advantage's current network providers for our Hawaii service area, which includes the following counties: Honolulu, Maui*, and Hawaii*. Counties with an asterisk * are only partly covered by our service area. If you live in a partly covered county, please see the service area description inside for the ZIP codes that are in our service area.

To access Kaiser Permanente Senior Advantage's online combined provider and pharmacy directory, you can visit **kp.org**. For any questions about the information contained in this directory, please call our Member Service Department at **1-800-805-2739**, seven days a week, 8 a.m. to 8 p.m. TTY users should call **711**.

To request a hard copy of Kaiser Permanente's combined provider and pharmacy directory, please call our Member Service Department at **1-800-805-2739**, seven days a week, 8 a.m. to 8 p.m. TTY users should call **711**. Kaiser Permanente will mail a hard copy of the provider directory to you within three (3) business days of your request. Kaiser Permanente may ask whether your request for a hard copy is a one-time request or if you are requesting to receive the combined provider and pharmacy directory in hard copy permanently.

If you request it, your request for hard copies of the combined provider and pharmacy directory remains until you leave Kaiser Permanente or request that hard copies be discontinued.

You can get this information for free in other formats, such as large print, braille, or audio. Call our toll-free number at **1-800-805-2739** TTY users should call **711**.

Your request for the combined provider and pharmacy directory in an accessible format will be applied on a standing basis unless you request otherwise.

Dental Providers. For dental care to be covered, services must be provided by Hawaii Dental Service (HDS) Medicare Advantage Network dentists, except in an emergency. While your dentist may be an HDS provider, it's possible they may not be part of the HDS Medicare Advantage Network, and therefore you will need to consider switching to an HDS Medicare Advantage Network dentist for your dental care to be covered. To access the HDS online directory of network dentists, visit **hawaiidental-service.com/findadentist**. For any questions about the information contained in the dentist directory, please call HDS Customer Service at **1-844-379-4325**, Monday through Friday, 7:30 a.m. to 4:30 p.m.

Note: Dental services covered out-of-state are only covered when provided by Delta Dental Medicare Advantage network dentists. Coverage, limitations, and exclusions are subject to the same HDS terms and conditions. To locate a Delta Dental Medicare Advantage network dentist, contact the State's local Delta Dental office.

Acupuncture and Chiropractic Providers. To access the American Specialty Health (ASH) online directory of network providers for acupuncture and chiropractic for Medicare members, you can visit the Kaiser Permanente website kp.org (make sure you've selected "Hawaii"), then from the menu bar, click "Doctors & Locations," then click the link that states "Search our contracted acupuncture, chiropractic, ... providers" This will take you to the ASHLink page. Once on the ASHLink page, click the "Medicare Provider Search" link for Medicare members.

For any questions about the information contained in their directory, please call ASH Customer Service at **1-800-678-9133**, Monday through Friday, 5 a.m. to 8 p.m. PST. TTY users should call **1-877-710-2746**.

Kaiser Permanente is an HMO plan with a Medicare contract. Enrollment in Kaiser Permanente depends on contract renewal.

PHARMACY DIRECTORY SECTION

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at kp.org/directory. You may also call Member Services at **1-800-805-2739**, seven days a week, 8 a.m. to 8 p.m. TTY users should call **711** (TTY/TDD users should call **711**) for updated information.

The Pharmacy Directory section provides a list of our plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the **Evidence of Coverage** and Kaiser Permanente's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy or through our mail order program. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your **Evidence of Coverage**.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of September 1, 2025. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

Section 1 — Introduction

This directory provides a list of Kaiser Permanente's network providers.

Your Primary Care Provider

You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider (PCP)**. The term "PCP" will be used throughout this directory. Generally, you must get your health care services from your PCP.

Your PCP meets state standards and is trained to give you primary medical care. He or she will usually practice general medicine, also called internal medicine or family practice. Women may also choose specialists in obstetrics-gynecology whom the Medical Group designates as Primary Care Providers. At some facilities, you also have the option of choosing a nurse practitioner (NP) or physician assistant (PA) to be your PCP.

Your PCP will give you most of your care. If you need a specialist, your PCP will help you choose a doctor in that field and work with him or her as part of your health care team.

You can choose your PCP from any of our available primary care doctors, nurse practitioners, or physician assistants. Once you make your choice, it is effective right away. If you wish, you can change your PCP for any reason.

Choosing or changing your doctor

We believe that an important part of your total health is building a personal relationship with your primary care doctor, physician assistant, or nurse practitioner. He or she is your supporter for your health needs and goals, helping you with everything from preventive care exams and advice for healthier living to treating you when you're sick.

Whether you're new to Kaiser Permanente or a longtime member looking for a change, choosing a personal doctor to coordinate your care is easy. You can learn about each doctor's certifications, specialties, languages spoken, interests, and more on **kp.org/finddoctors** to help you find the right fit for you.

If you want to make a switch, you can change your doctor at any time and for any reason.

Care for your unique needs

You can choose your personal doctor from one of the departments listed next.

- **Adult or Internal Medicine** (Internists)
- **Family Medicine** (Family practitioners)
- **Obstetrics-Gynecology** (Ob-Gyn)

Nurse practitioners

At some facilities, you also have the option of choosing a nurse practitioner.

Nurse practitioners are registered nurses who have advanced education and training. They can diagnose and treat a wide variety of medical conditions, write prescriptions, order and interpret lab and medical imaging tests, and educate and give advice to members and their families. They practice with a doctor's supervision and support according to carefully controlled procedures.

How to choose or change your doctor

Online

Search our directory for primary care practitioners who are accepting new patients. Then browse their profiles to find the right doctor for you. Follow these steps:

1. Go to **kp.org/finddoctors**.
2. Choose your area.
3. Narrow your search by city, doctor name, etc.
4. Click "Search."
5. Read about the doctors and click "Select me" when you find a good match that is accepting new patients.

Phone

Call our physician selection service number at the facility where you plan to get most of your care. We'll talk to you about your needs and help you make your choice. For TTY for the Deaf, hard of hearing, or speech impaired, call **711**. Your family is free to choose different doctors at different locations.

Getting Covered Care under your Medicare Coverage

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor Kaiser Permanente will be responsible for the costs.

The network providers listed in this directory have agreed to provide you with your health care and vision services. You may go to any of our network providers listed in this directory; however, some services may require a referral.

Your PCP will refer you to a Plan specialist when he or she believes that you require specialty care. Some specialists, such as specialists in surgery, orthopedics, cardiology, oncology, dermatology, and physical, occupational, and speech therapies

require a referral. However, you do not need a referral to get specialty care from network providers in Ob-Gyn, optometry, psychiatry, and chemical dependency.

Bills from out-of-network providers

If you receive a bill from an out-of-network provider, you should not pay the bill. Send it to our Claims Department and they will let you know how much you have to pay.

Emergency and urgent care

If you have an emergency medical condition, call **911** or go to the nearest hospital. When you have an emergency medical condition, we cover emergency care anywhere in the world.

For ease and continuity of care, we encourage you to go to a Plan hospital Emergency Department if you are inside our service area, but only if it is reasonable to do so, considering your condition or symptoms.

If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our Plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow. It is very important that your out-of-network provider call us to get authorization for post-stabilization care before you receive

the care from the out-of-network provider. You will only be held financially liable if you are notified by the out-of-network provider or us about your potential liability.

You must use network providers except in emergency or urgent care situations, or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers neither Medicare nor Kaiser Permanente will be responsible for the costs.

- Oahu
- Maui

Look up the area where you live or get care beginning on page 6. Then find the location that you'll go to most often to find a list of doctors for that medical facility. The medical facilities are listed alphabetically within each area.

All providers in this publication are accepting new patients unless otherwise indicated. Asterisks (*) at the end of a provider name identify providers not accepting new patients.

If you have questions about Kaiser Permanente or require assistance in selecting a PCP, please call our Member Service Department at **1-800-805-2739**, seven days a week, 8 a.m. to 8 p.m. TTY users should call **711**. You can also visit **kp.org** or **kp.org/seniorrx**.

If you need a Sign language interpreter, an interpreter is available either by video or in person.

In addition to English, some providers listed in this directory speak additional languages. Please see the key below defining the abbreviations for these languages.

Get Care & Urgent Care

You have many ways to get convenient, coordinated care from Kaiser Permanente when it works for you. You can get care online (by video or email), by phone, or in-person. Learn more at kp.org/getcare.

24/7 advice

If you're not feeling well and our offices are closed, call our 24/7 advice line at no cost. A licensed care clinician will assess your situation and direct you to the best place for care. If appropriate, they can even provide medical advice and help you handle the problem at home to save you a visit to the doctor.

Get the right care for your situation.

Moanalua Medical Center

24/7 virtual care

Connect with a clinician 24/7, by phone or video, no appointment necessary. This is used when you need rapid, convenient medical care that can be addressed virtually, but does not require immediate hands-on assistance from a healthcare professional or warrant an emergency department or urgent care visit. Examples include a urinary tract infection, pink eye, or cold and flu where a clinician can diagnose, recommend treatment, and provide guidance about follow-up care.

Urgent care

When you have a health need that can't wait until the next day, urgent care is available. Please call **1-833-833-3333** before your visit. In some cases, your urgent condition can be addressed through a virtual visit by phone or video. If seen for urgently needed services in the Urgent Care department at this facility, your urgent care office visit copayment will be collected a time of service. All patient fees for other services also may be collected that day. Check your Evidence of Coverage for details.

You can get prescription drugs shipped to your home through our network mail order delivery program. For refills of your mail order prescriptions, please contact us 5 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. Typically, you should expect to receive your prescription drugs within 3 to 5 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at **808-643-7979** and TTY/TTD **711** or the number listed on the prescription label for assistance.

If you cannot wait for your prescription to arrive from our mail-order pharmacy, you may get an urgent supply by calling a Kaiser Permanente or affiliated network pharmacy listed in this Pharmacy Directory or at **kp.org/directory**.
