Getting care in Kaiser Permanente service areas

This brochure will help you get a wide range of care in Kaiser Permanente service areas, which include all or parts of:

- California
- Colorado
- Georgia
- Hawaii
- Maryland
- Oregon
- Virginia
- Washington
- Washington, D.C.

You can get care in these areas and find Kaiser Permanente locations at kp.org/kpfacilities. You're also covered for urgent and emergency care from any non-Kaiser Permanente provider.

Outside Kaiser Permanente areas

You're covered for urgent and emergency care anywhere in the world.* Routine services aren't covered, so make sure to get them before your trip if you're traveling elsewhere. Routine services include physical exams, well-child checkups, and immunizations (shots).

You can get routine care for up to 90 days through Group Health Cooperative (GHC), a nonprofit group that offers care to Kaiser Permanente members. After 90 days, you will only be covered for emergency and urgent care services.

Group Health Cooperative is located in:

- East and northwest Washington
- Northern Idaho

- You'll get a medical record number (MRN) or health record number (HRN) and information on making an appointment.

When you get back home, you'll use your home MRN or HRN to get care.

If you're in a self-funded EPO plan, call the Customer Service number on your Kaiser Permanente ID card.

Do I need approval first?

If you pay for any services upfront, you may be eligible for a reimbursement.[‡] To get reimbursed, you'll need to submit a claim in your home area. Make sure you ask for copies of all receipts.
