DIRECTIONS — Is this request for treatment by a specialist/surgeon?

If **YES**, please have specialist/surgeon complete your form.

Please note that FMLA forms can take up to 15 calendar days to process.

1	Patient Information	Please fill in ALL patient information. A combination of two office visits, telephone and/or video visits for patient's chronic condition is required. Emails are not accepted as visits.
2	Family Member Request	If you are completing this form to assist in care of the patient and you are the caregiver, please include your name, your relationship to the patient (i.e., parent, spouse, child), your telephone number along with the best time of day to call. *The patient receiving the care will also need to complete a Release of Information Form (ROI) for the caregiver.
3	Patient's Condition	Please provide the medical condition related to this request and the date the condition or injury occurred for the first time. If the exact date cannot be remembered, give an estimated month and year. Also, provide the name of your treating clinician/doctor who will be signing your work loss request.
4	Work Status History	Please provide the name of the company that the patient works for. Also, include job title, job functions and work schedule.
Requesting which TYPE of FMLA? MUST complete either #5, #6, or #7 or any combination of the 3 (if applicable)		
5	Intermittent Leave	Intermittent FMLA leave is often taken when an employee needs time off work for condition flare ups or treatment of their condition. Please provide how many work absences per month you have taken in the <u>LAST 3 months</u> along with an estimate of how many you may need for this request. <i>*Please note that the authorizing Clinician/MD will only approve intermittent FMLA for up to 6 months. After 6 months, a new FMLA form must be submitted.*</i>
6	Continuous Leave	Continuous FMLA leave is defined as when an employee is absent for more than three consecutive business days and has been treated by a doctor. Please provide the start date and the through date (end date).
7	Other Leave	Reduced Daily Work Hours is defined as when an employee needs to reduce the amount of hours they work per day or per week, often to care for a family member or to reduce effects of their own illness.
	Additional Comments	Write any additional comments that will help us understand your request.
