

Account Change Form
Georgia

Instructions

- You may use this form to make plan changes or account changes to an existing Kaiser Permanente for Individuals and Families (KPIF) account. Only the subscriber or parent/legal guardian of a child-only account can fill out this form.
- There are different types of plan changes and account changes you can make with this form. Please fill out your personal information in Section A. Then select what changes you'd like to make in Section B, and continue on to fill out any other sections related to those changes.
- If you're adding a dependent to your plan, any other coverage they have won't be automatically canceled unless stated in this form. To avoid paying for 2 plans or having a gap in coverage, please cancel any other coverage they have as of the day before their new coverage starts.
- Note: If you're entitled to Medicare Part A or enrolled in Medicare Part B, you're not eligible to change KPIF plans. If a family member is entitled to Medicare Part A or enrolled in Medicare Part B, they're not eligible to change KPIF plans or be added to your KPIF plan as a new dependent.
