

INSTRUCTIONS FOR PRE-AUTHORIZATION FORM

There is a two (2) business day review time-frame for non-urgent pre-certification requests. For example, if all documentation is submitted on Thursday, review will be completed and the requester will be notified of the determination by end-of-business on the following Monday. Requests marked “urgent” must qualify as medically urgent and will be processed in one (1) business day. Failure to include any required information will delay review.

For retrospective reviews, please contact the appropriate claims department.

Complete the top portion of the form with your name, phone and fax numbers, and what office you are from. Include patient’s name, date of birth, and Kaiser Medical Record Number (MRN) from the patient’s insurance card. Note: each member, including children and dependents, has his/her own unique Medical Record Number.

Recent supporting history and physical (H&P), clinical notes, and physician’s order are required before review can begin. Failure to provide these documents in a legible format (i.e. dictated/typed) will delay review.

Diagnosis Codes and Procedure Codes (CPT or HCPCS) are required.

Requesting Provider (Physician) refers to the provider who is ordering the procedure or service and is following patient’s care for this condition. Physician’s specialty, mailing address, and phone number are required. Please include the best phone number for contacting the physician, as well as best days and times for peer-to-peer phone call.

Place of Service/Servicing Provider refers to the facility or provider who is actually performing the procedure or providing the service (e.g. hospital/facility). Mailing address, phone number, and Tax ID number are required.

Please fax completed form with supporting documentation to 877-800-5456. Pre-authorization requests must be submitted by a healthcare provider. If you have any questions about the pre-authorization request form, the pre-authorization process, or what services require pre-authorization, please call us at the phone number below.
