Definiciones

Término
La droga de marca es un medicamento que se comercializa bajo un nombre patentado, protegido por marca registrada. El medicamento de marca se indicará en todas las letras CAPITAL.
El coseguro es un porcentaje del costo de un beneficio de atención médica cubierto que un afiliado paga después de que el afiliado haya pagado el deducible, si se aplica un deducible al beneficio de atención médica, como el beneficio de medicamentos recetados.
Copago es una cantidad fija en dólares que un afiliado paga por un beneficio de atención médica cubierto después de que el afiliado haya pagado el deducible, si se aplica un deducible al beneficio de atención médica, como el beneficio de medicamentos recetados.
El deducible es la cantidad que un afiliado paga por los beneficios de atención médica cubiertos antes de que el plan de salud del afiliado comience a pagar todo o parte del costo del beneficio de atención médica bajo los términos de la póliza.
El nivel de medicamentos es un grupo de medicamentos recetados que corresponde a un nivel de costo compartido especificado en la cobertura de medicamentos recetados del plan de salud. El nivel en el que se coloca un medicamento recetado determina la porción del afiliado del costo del medicamento.
El afiliado es una persona inscrita en un plan de salud que tiene derecho a recibir servicios del plan. Todas las referencias a los inscritos en esta plantilla de formulario también incluirán el suscriptor tal como se define en esta sección a continuación
La solicitud de excepción es una solicitud de cobertura de un medicamento recetado. Si un afiliado, su designado o proveedor de atención médica que prescribe envía una solicitud de excepción para la cobertura de un medicamento recetado, el plan de salud debe cubrir el medicamento recetado cuando se determina que el medicamento es médicamente necesario para tratar la condición del afiliado.
Las circunstancias más exigentes son cuando un afiliado está sufriendo de una condición de salud que puede poner en serio peligro la vida, la salud o la capacidad del afiliado para recuperar la máxima función o cuando un afiliado está siendo sometido a un curso actual de tratamiento usando un medicamento no formulariano. Las circunstancias más exigentes a veces se conocen como "urgentes".
El formulario es la lista completa de medicamentos recetados preferidos para su uso y elegibles para la cobertura bajo un producto del plan de salud, e incluye todos los medicamentos cubiertos bajo el beneficio de medicamentos recetados para pacientes ambulatorios del producto del plan de salud. El formulario también se conoce como una lista de medicamentos recetados.
El medicamento genérico es el mismo medicamento que su nombre equivalente en dosis, seguridad, fuerza, cómo se toma, calidad, rendimiento, y el uso previsto. Un medicamento genérico aparece en letras minúsculas en ***negrita*** y ***cursiva.***

El medicamento no del formulario es un medicamento recetado que no aparece en el formulario del plan de salud.
Los costos de bolsillo son copagos, coseguro y el deducible aplicable, más todos los costos de los servicios de atención médica que no están cubiertos por el plan de salud.
El proveedor de prescripción es un proveedor de atención médica autorizado a escribir una receta médica para tratar una condición médica para un afiliado a un plan de salud.
La prescripción es un pedido oral, escrito o electrónico de un proveedor de prescripción para un afiliado específico que contiene el nombre del medicamento recetado, la cantidad del medicamento prescrito, la fecha de emisión, el nombre y la información de contacto del proveedor de prescripción, la firma del proveedor de prescripción si la receta es por escrito, y si lo solicita el afiliado, la condición médica o propósito para el cual se prescribe el medicamento.
El medicamento recetado es un medicamento que es prescrito por el proveedor de prescripción del afiliado y requiere una receta bajo la ley aplicable.
La Autorización Previa (PA, por sus) es el requisito de un plan de salud de que el afiliado o el proveedor de prescripción del afiliado obtengan la autorización del plan de salud para un medicamento recetado antes de que el plan de salud cubra el medicamento. El plan de salud otorgará una autorización previa cuando sea médicamente necesario para que el afiliado obtenga el medicamento. Nota: Kaiser Foundation Health Plan no tiene un requisito para PA.
Paso Therapy (ST) es un proceso que especifica la secuencia en la que se prescriben diferentes medicamentos recetados para una condición médica dada y médicamente apropiado para un paciente en particular. El plan de salud puede requerir que el afiliado pruebe uno o más medicamentos para tratar la condición médica del afiliado antes de que el plan de salud cubra un medicamento en particular para la afección de acuerdo con una solicitud de terapia escalonada. Si el proveedor de prescripción del afiliado presenta una solicitud de excepción de terapia escalonada, los planes de salud harán excepciones a la terapia escalonada cuando se cumplan los criterios. Nota: Kaiser Foundation Health Plan no tiene un requisito para la terapia escalonada.
Suscriptor significa la persona que es responsable del pago a un plan o cuyo empleo u otro estatus, excepto la dependencia familiar, es la base para la elegibilidad para la membresía en el plan.

Formulary Legend

Columna 1:
Un medicamento se enumera alfabéticamente por su marca y nombres genéricos en la categoría terapéutica y clase a la que pertenece.

El nombre genérico de un medicamento de marca se incluye después del nombre de marca entre paréntesis y todas las letras minúsculas en negrita y cursiva.

Si un equivalente genérico para un medicamento de marca está disponible, y tanto el nombre de marca como los equivalentes genéricos están cubiertos, el medicamento genérico se enumerará por separado del medicamento de marca en todas las letras minúsculas en negrita y cursiva.

If a generic drug is marketed under a proprietary, trademark protected brand name, the brand name is listed in all CAPITAL letters after the generic name in parentheses and regular typeface with first letter of each word capitalized.

Ejemplo	
Medicamentos genéricos	***atorvastatin calcium***
Medicamentos genéricos comercializados con una marca	[Ethynodiol Diacet & Eth Estrad] ZOVIA 1/35E (28) TABS 1-35 MG-MCG
Marca	ADVAIR DISKUS AEPB 250-50 MCG/DOSE ***[fluticasone-salmeterol]***

Todas las **formas** de dosificación y **fortalezas** para un medicamento en particular listado puede no estar **en el formulario**. Algunos medicamentos tienen múltiples formas de dosificación. En tales casos, algunas dosis pueden estar en el formulario y otros no.

Algunos de estos medicamentos pueden estar disponibles solo en un entorno clínico y su costo compartido aplicable puede aplicarse.

Columna 2:
La segunda columna, "Drug Tier", indicará en qué número de nivel se encuentra el medicamento. Los medicamentos en el formulario comercial de California se clasifican:

Nivel 1 – Nivel genérico
Nivel 2 –Nivel de marca
Nivel 4 –Nivel de especialidad

El formulario es una lista de medicamentos cubiertos. Kaiser Permanente considera los medicamentos colocados en los medicamentos Tier 1 (Genérico) y Tier 2 (Marca) como medicamentos preferidos. Kaiser Permanente no tiene un nivel que se alinee con la definición de medicamentos de nivel 3 (Nen el valorpreferido Brand) que están cubiertos a un costo más altocompartido.

¿Qué son los medicamentos genéricos?

Un medicamento genérico es aprobado por la FDA como tener el mismo ingrediente activo que el medicamento de marca. Generalmente, los medicamentos genéricos cuestan menos que los medicamentos de marca.

¿Qué son los medicamentos de marca?

Medicamentos de marca son fabricados y vendidos por la compañía farmacéutica que originalmente investigó y desarrolló la droga. Cuando la patente de un medicamento de marca expira, otras compañías farmacéuticas pueden fabricar y vender una versión genérica aprobada por la FDA del medicamento con el mismo ingrediente activo a precios más bajos.

Qué son los medicamentos de nivel especial

Los medicamentos de nivel especializado son medicamentos de muy alto costo aprobados por la FDA que están en nuestro formulario.

Para obtener información sobre el costo compartido para cada nivel de medicamentos y cualquier máximo de dólar aplicable en su paquete de beneficios del plan de salud, consulte el "Resumen de costo compartido" de su EOC*(Evidencia de cobertura).*).

Si los Cargos por Servicios son menores que el Copago descrito en su *EOC,*usted pagará la cantidad menor, sujeto a cualquier deducible o máximo de su bolsillo aplicable.

Nota: El nivel en el que se clasifica un medicamento genérico o de marca puede cambiar en cualquier momento del año. Además, ciertos medicamentos de marca pueden estar cubiertos con la cuota de costo que se aplica para el Nivel 1 y ciertos medicamentos genéricos pueden estar cubiertos en la cuota de costo de Nivel 2. El nivel 4 es para medicamentos especiales que están cubiertos a un costo más alto compartido.

Columna 3:

La Central de Llamadas de Servicio a los Miembros (Member Service Contact Center) brinda servicios de asistencia con el idioma las 24 horas del día, los siete días de la semana (excepto los días festivos). Se ofrecen servicios de interpretación sin costo alguno para usted durante el horario de atención, incluido el lenguaje de señas. También podemos ofrecerle a usted, a sus familiares y amigos cualquier ayuda especial que necesiten para acceder a nuestros centros de atención y servicios. Además, puede solicitar los materiales del plan de salud traducidos a su idioma, y también los puede solicitar con letra grande o en otros formatos que se adapten a sus necesidades. Una queja es una expresión de inconformidad que manifiesta usted o su representante autorizado a través del proceso de quejas. Una queja incluye una queja formal o una apelación. Por ejemplo, si usted cree que ha sufrido discriminación de nuestra parte, puede presentar una queja. Consulte su *Evidencia de Cobertura (Evidence of Coverage)* o *Certificado de Seguro (Certificate of Insurance)*, o comuníquese con un representante de Servicio a los Miembros (Member Services) para conocer las opciones de resolución de disputas que le corresponden. Esto tiene especial importancia si es miembro de Medicare, MediCal, MRMIP (Major Risk Medical Insurance Program, Programa de Seguro Médico para Riesgos Mayores), MediCal Access, FEHBP (Federal Employees Health Benefits Program, Programa de Beneficios Médicos para los Empleados Federales) o CalPERS ya que dispone de otras opciones para resolver disputas.

Puede presentar una queja de las siguientes maneras:

- completando un formulario de queja o de reclamación/solicitud de beneficios en una oficina de Servicio a los Miembros ubicada en un centro del plan (consulte las direcciones en *Su Guía*)
- enviando por correo su queja por escrito a una oficina de Servicio a los Miembros en un centro del plan (consulte las direcciones en *Su Guía*)
- llamando a la línea telefónica gratuita de la Central de Llamadas de Servicio a los Miembros al **1-800-788-0616** (los usuarios de la línea TTY deben llamar al **711**)
- completando el formulario de queja en nuestro sitio web en **kp.org**

Llame a nuestra Central de Llamadas de Servicio a los Miembros si necesita ayuda para presentar una queja.

Se le informará al coordinador de derechos civiles (Civil Rights Coordinator) de Kaiser Permanente de todas las quejas relacionadas con la discriminación por motivos de raza, color, país de origen, género, edad o discapacidad. También puede comunicarse directamente con el coordinador de derechos civiles de Kaiser Permanente en One Kaiser Plaza, 12th Floor, Suite 1223, Oakland, CA 94612.

También puede presentar una queja formal de derechos civiles de forma electrónica ante la Oficina de Derechos Civiles (Office for Civil Rights) en el Departamento de Salud y Servicios Humanos de los Estados Unidos (U. S. Department of Health and Human Services) mediante el portal de quejas formales de la Oficina de Derechos Civiles (Office for Civil Rights), en *ocrportal.hhs.gov/ocr/portal/lobby.jsf,* o por correo postal o por teléfono a: U.S. Department of Health and Human Services, 200 Independence

Avenue SW, Room 509F, HHH Building, Washington, D.C. 20201, 1-800-368-1019, 1-800-537-7697(línea TDD). Los formularios de queja formal están disponibles en ***www.hhs.gov/ocr/office/file/index.html***.
