

# KAISER PERMANENTE: 2021 FORMULARIO DEL MERCADO COMERCIAL

[ESTE FORMULARIO SE ACTUALIZÓ EL: 12/01/2021]

# 2021 Formulario del Mercado Comercial

(Lista de medicamentos cubiertos)

**POR FAVOR LEA: ESTE DOCUMENTO CONTIENE INFORMACION SOBRE LOS MEDICAMENTOS QUE CUBIERTAMOS CUANDO PARTICIPA EN UN [PLAN GROUP / INDIVIDUAL] OFRECIDO POR KAISER PERMANENTE.**

Este formulario de medicamentos recetados es efectivo a partir de 12/07/2021. Este documento de formulario puede variar dependiendo de su plan de salud. Este formulario está sujeto a cambios y todas las versiones anteriores del formulario ya no se aplican. Todas las versiones anteriores efectivas del formulario ya no se aplican, y las copias deben descartarse para evitar una interpretación errónea.

Para obtener una versión electrónica del formulario, o preguntas sobre qué formulario de medicamentos se aplica a su plan, visite [kp.org/formulary](https://kp.org/formulary) o llame a nuestro Centro de contacto de servicio al miembro las 24 horas del día, los siete días de la semana (vacaciones cerradas). 1-800-464-4000 Inglés (y más de 150 idiomas), 1-800-788-0616 Español, 1-800-757-7585 Dialectos chinos, y 711 TTY para personas sordos o con dificultades auditivas.

Esta no es una lista de todo incluido y no proporciona información sobre cobertura específica, exclusiones, copagos o coseguros. Esa información se puede encontrar refiriéndose a su *Evidencia de Cobertura* (EOC). Para localizar un EOC que incluya la distribución de costos aplicable a los medicamentos recetados para los productos del plan de salud que se aplica este formulario siga las siguientes instrucciones:

Grupo pequeño: <https://www.coveredca.com/forsmallbusiness/>

Planes individuales: <https://www.coveredca.com/>

Para los planes de Grupo Grande (cubiertos a través de su empleador, y el empleador tiene 101 o más empleados): Comuníquese con Servicios para Miembros al 844-554-9181 para solicitar su *Evidencia de Cobertura* (EOC, por su parte). Por favor, tenga el número de grupo de su empleador disponible, y si su grupo ofrece más de un plan, el nombre del plan. (El número de grupo de su empleador solo se puede obtener de su empleador.)

Una descripción de beneficios de medicamentos para su cobertura de recetas ambulatorias para medicamentos, dispositivos y productos aprobados por la FDA se puede encontrar en su EOC.

La presencia de un medicamento en nuestro formulario de medicamentos no significa necesariamente que su médico lo prescribirá para una condición médica. Su médico elegirá la terapia adecuada en función de la necesidad médica en su juicio.

Si se producen cambios en el formulario de medicamentos o se agregan restricciones a un medicamento, y usted está tomando el medicamento afectado por el cambio, se le puede permitir continuar recibiendo ese medicamento de acuerdo con su beneficio de medicamentos, si su médico lo considera médicamente necesario.

## Cambios en el formulario

Kaiser Permanente actualiza el formulario mensualmente. Los medicamentos se agregan o eliminan del Formulario Comercial de California durante el año, estos cambios en el Formulario se basan en nueva información o nuevos medicamentos que están disponibles.

### Estos cambios en el formulario pueden incluir:

C colgar en forma de droga o dosis - cambios en la colocación de nivel de un medicamento que resulta en un aumento en el costo compartido; y cualquier cambio de restricciones de gestión de la utilización, incluyendo cualquier adición de estas restricciones.

Marca a genérico - cuando una versión genérica de un medicamento de marca en nuestro formulario está disponible y cumple con nuestros estándares, por lo general reemplaza el medicamento de marca en nuestro formulario.

Cambio terapéutico - la prescripción se cambia de un medicamento a otro porque hemos decidido que el nuevo medicamento es una mejor opción basada en estándares de seguridad, eficacia o asequibilidad.

| <b>Término</b>                                                                                                                                                                                                                                                                                                                                                                                                  |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>La droga de marca</b> es un medicamento que se comercializa bajo un nombre patentado, protegido por marca registrada. El medicamento de marca se indicará en todas las letras CAPITAL.                                                                                                                                                                                                                       |
| <b>El coseguro</b> es un porcentaje del costo de un beneficio de atención médica cubierto que un afiliado paga después de que el afiliado haya pagado el deducible, si se aplica un deducible al beneficio de atención médica, como el beneficio de medicamentos recetados.                                                                                                                                     |
| <b>Copago</b> es una cantidad fija en dólares que un afiliado paga por un beneficio de atención médica cubierto después de que el afiliado haya pagado el deducible, si se aplica un deducible al beneficio de atención médica, como el beneficio de medicamentos recetados.                                                                                                                                    |
| <b>El deducible</b> es la cantidad que un afiliado paga por los beneficios de atención médica cubiertos antes de que el plan de salud del afiliado comience a pagar todo o parte del costo del beneficio de atención médica bajo los términos de la póliza.                                                                                                                                                     |
| <b>El nivel de medicamentos</b> es un grupo de medicamentos recetados que corresponde a un nivel de costo compartido especificado en la cobertura de medicamentos recetados del plan de salud. El nivel en el que se coloca un medicamento recetado determina la porción del afiliado del costo del medicamento.                                                                                                |
| <b>El afiliado es una persona inscrita en un plan de salud</b> que tiene derecho a recibir servicios del plan. Todas las referencias a los inscritos en esta plantilla de formulario también incluirán el suscriptor tal como se define en esta sección a continuación                                                                                                                                          |
| <b>La solicitud de excepción</b> es una solicitud de cobertura de un medicamento recetado. Si un afiliado, su designado o proveedor de atención médica que prescribe envía una solicitud de excepción para la cobertura de un medicamento recetado, el plan de salud debe cubrir el medicamento recetado cuando se determina que el medicamento es médicamente necesario para tratar la condición del afiliado. |
| <b>Las circunstancias más exigentes</b> son cuando un afiliado está sufriendo de una condición de salud que puede poner en serio peligro la vida, la salud o la capacidad del afiliado para recuperar la máxima función o cuando un afiliado está siendo sometido a un curso actual de tratamiento usando un medicamento no formulariano. Las circunstancias más exigentes a veces se conocen como "urgentes".  |
| <b>El formulario es la lista completa de medicamentos recetados preferidos para su uso y elegibles para la cobertura bajo un producto del plan de salud</b> , e incluye todos los medicamentos cubiertos bajo el beneficio de medicamentos recetados para pacientes ambulatorios del producto del plan de salud. El formulario también se conoce como una lista de medicamentos recetados.                      |
| <b>El medicamento genérico</b> es el mismo medicamento que su nombre equivalente en dosis, seguridad, fuerza, cómo se toma, calidad, rendimiento, y el uso previsto. Un medicamento genérico aparece en letras minúsculas en <b>negrita</b> y <b>cursiva</b> .                                                                                                                                                  |
| <b>El medicamento no del formulario</b> es un medicamento recetado que no aparece en el formulario del plan de salud.                                                                                                                                                                                                                                                                                           |
| <b>Los costos de bolsillo</b> son copagos, coseguro y el deducible aplicable, más todos los costos de los servicios de atención médica que no están cubiertos por el plan de salud.                                                                                                                                                                                                                             |
| <b>El proveedor de prescripción es un proveedor de atención médica</b> autorizado a escribir                                                                                                                                                                                                                                                                                                                    |

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| una receta médica para tratar una condición médica para un afiliado a un plan de salud.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| <b>La prescripción</b> es un pedido oral, escrito o electrónico de un proveedor de prescripción para un afiliado específico que contiene el nombre del medicamento recetado, la cantidad del medicamento prescrito, la fecha de emisión, el nombre y la información de contacto del proveedor de prescripción, la firma del proveedor de prescripción si la receta es por escrito, y si lo solicita el afiliado, la condición médica o propósito para el cual se prescribe el medicamento.                                                                                                                                                                                                                                                                                        |
| <b>El medicamento recetado</b> es un medicamento que es prescrito por el proveedor de prescripción del afiliado y requiere una receta bajo la ley aplicable.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| <b>La Autorización Previa (PA, por sus)</b> es el requisito de un plan de salud de que el afiliado o el proveedor de prescripción del afiliado obtengan la autorización del plan de salud para un medicamento recetado antes de que el plan de salud cubra el medicamento. El plan de salud otorgará una autorización previa cuando sea médicamente necesario para que el afiliado obtenga el medicamento. Nota: Kaiser Foundation Health Plan no tiene un requisito para PA.                                                                                                                                                                                                                                                                                                     |
| <b>Paso Therapy (ST)</b> es un proceso que especifica la secuencia en la que se prescriben diferentes medicamentos recetados para una condición médica dada y médicamente apropiado para un paciente en particular. El plan de salud puede requerir que el afiliado pruebe uno o más medicamentos para tratar la condición médica del afiliado antes de que el plan de salud cubra un medicamento en particular para la afección de acuerdo con una solicitud de terapia escalonada. Si el proveedor de prescripción del afiliado presenta una solicitud de excepción de terapia escalonada, los planes de salud harán excepciones a la terapia escalonada cuando se cumplan los criterios. Nota: Kaiser Foundation Health Plan no tiene un requisito para la terapia escalonada. |
| <b>Suscriptor</b> significa la persona que es responsable del pago a un plan o cuyo empleo u otro estatus, excepto la dependencia familiar, es la base para la elegibilidad para la membresía en el plan.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |

### ¿Qué es el formulario comercial Kaiser Permanente California?

El Formulario Comercial de California es una lista de medicamentos cubiertos elegidos por un grupo de médicos y farmacéuticos de Kaiser Permanente conocidos como el Comité de Farmacia y pharmacists Terapéutica. Committee. El Comité se reúne regularmente para evaluar y seleccionar los medicamentos que son seguros y eficaces para nuestros miembros. Este Formulario cumple con los requisitos descritos en la ley estatal, regulaciones y orientación para los planes comerciales.

### ¿Qué medicamentos están cubiertos?

Kaiser Permanente cubre medicamentos de marca, genéricos y especiales as que figuran en el Formulario Comercial de California, siempre y cuando el medicamento sea médicamente necesario, la receta se llene en un Kaiser Permanente, o una farmacia afiliada, pharmacy, y se cumplan otras reglas de cobertura.

Si le recetan un medicamento en el formulario comercial de California, ese medicamento estará cubierto bajo los términos de su beneficio de medicamentos.

### ¿Qué medicamentos están cubiertos por el beneficio médico frente al medicamento recetado para pacientes ambulatorios?

Los medicamentos y productos administrados son medicamentos y productos que requieren administración u observación por parte del personal médico. Estos medicamentos y productos están

cubiertos cuando son prescritos por un Proveedor del Plan, de acuerdo con nuestras pautas de formulario de medicamentos, y se le administran en un Centro de Plan o durante las visitas domiciliarias. Consulte su *Evidencia de Cobertura* para obtener más información.

### **Obtener una excepción al formulario**

Los medicamentos que no figuran en el formulario se denominan medicamentos no formularia. Cuando un médico de Kaiser Permanente, o un médico de referencia autorizado, determina que un medicamento no-formulario es médicamente apropiado y necesario, ese medicamento estará cubierto bajo los términos de sus beneficios (si usted tiene un beneficio de medicamento recetado). Si usted no tiene un beneficio de medicamentos recetados, se le cobrará el precio de venta al por menor completo para el medicamento.

Puede consultar con su proveedor del Plan si se necesita una excepción al formulario. Usted y su proveedor del Plan son los mejores capaces de determinar sus necesidades de medicamentos.

También puede ponerse en contacto con Servicios para Miembros las 24 horas del día, los 7 días de la semana. Si desea tener un medicamento no formal que su médico determine que no es médicamente necesario, puede presentar una queja ante Servicios para Miembros llamando al 1-800-464-4000.

Si el Plan otorga la solicitud de excepción estándar de un miembro, el Plan proporcionará cobertura del medicamento no-formulario durante la duración de la receta, incluyendo recargas. Si el Plan otorga una excepción basada en circunstancias exigentes (urgentes), el Plan proporcionará cobertura del medicamento no-formulario durante la duración de la exigencia.

### **¿Cómo solicito una determinación de cobertura?**

Usted, su representante designado, su Kaiser Permanente o médico afiliado, u otro prescriptor puede solicitar una determinación de cobertura.

Se tomará una decisión estándar en un plazo de 72 horas. Para solicitudes urgentes, se tomará una decisión rápida (rápida) en un plazo de 24 horas. Para todas las solicitudes de excepción, el período de tiempo comienza cuando su médico u otro prescriptor proporciona una declaración de apoyo.

### **¿Existen restricciones a los medicamentos cubiertos en el formulario?**

Algunos medicamentos cubiertos pueden tener requisitos o límites adicionales en la cobertura, como límites de cantidad. Para ciertos medicamentos, Kaiser Permanente puede limitar la cantidad del medicamento dispensado a un suministro determinado de días. Por ejemplo, cuando hay una escasez nacional de un medicamento, podemos limitar la cantidad de la droga dispensada. Además, la ley actual limita la cuota de costo (por máximo de prescripción) en medicamentos orales contra el cáncer a no más de \$200 por suministro de 30 días.

### **¿Qué medicamentos son elegibles para ser enviados por correo desde la farmacia de pedidos por correo?**

La mayoría de los medicamentos se pueden enviar por correo desde nuestra farmacia de pedidos por correo. Algunos medicamentos (por ejemplo, medicamentos que tienen un costo extremadamente alto o requieren un manejo especial) pueden no ser elegibles para el envío por correo. Las drogas no se pueden enviar por correo fuera de los Estados Unidos.

Puede solicitar recargas a través de nuestro servicio de pedidos por correo en línea en [kp.org/refill](https://kp.org/refill) o por teléfono o aplicación móvil. El pedido por correo no conlleva ningún cargo adicional. Se aplicará la cuota de costo apropiada (de acuerdo con su beneficio de medicamentos recetados).

Su drug beneficio de medicamentos recetados puede tener una cuota de costo más bajo si utiliza la farmacia de pedidos por correo.

Consulte su *Evidencia de Cobertura* para obtener detalles completos de su beneficio de medicamentos recetados.

### ¿Cómo localizar una farmacia y rellenar sus recetas?

Consulte su guía electrónica para miembros en [kp.org/eguidebook](http://kp.org/eguidebook) para obtener una lista completa de las farmacias de la red disponibles para usted o comuníquese con Servicios para Miembros.

### Recarga en línea

Visita [kp.org/refill](http://kp.org/refill) para pedir recargas y comprobar el estado de tus pedidos. Si es la primera vez que realiza un pedido de recarga en línea, cree una cuenta visitando [kp.org/register](http://kp.org/register).

### Recarga por teléfono

Llame al número de recarga de la farmacia en su etiqueta de prescripción. Tenga listo su número de registro médico, número de receta, número de teléfono residencial e información de tarjeta de crédito o débito cuando llame.

### ¿Cómo utilizo el formulario?

Los medicamentos se enumeran alfabéticamente bajo la columna titulada "Nombre del medicamento recetado" por su marca o nombre genérico bajo la categoría terapéutica y la clase a la que pertenece. Puede buscar en esta lista utilizando la marca o el nombre genérico del medicamento por: Buscando la categoría o clase a la que pertenece el medicamento y buscar el nombre de la droga en orden alfabético o buscar en el índice alfabético de drogas por el nombre de la droga.

La inclusión de un medicamento en el formulario no garantiza que su médico o prescriptor lo prescriba.

### Dolencia

El formulario comienza en la página 12. Los medicamentos de este formulario se agrupan en categorías dependiendo del tipo de condiciones médicas que se utilizan para tratar. Por ejemplo, los medicamentos utilizados para tratar una afección cardíaca se enumeran en la categoría "Drogas cardiovasculares." Si sabe para qué se utiliza su medicamento, busque el nombre de la categoría en la lista que comienza en la página 2. A continuación, busque debajo del nombre de la categoría de su medicamento.

### Listado alfabético

Si usted no está seguro de qué categoría para buscar, usted debe buscar su medicamento en el índice que comienza en la página 109. El índice proporciona una lista alfabética de todos los medicamentos incluidos en este documento. Busque en el índice y encuentre su droga. Junto a su medicamento, verá el número de página donde puede encontrar información de cobertura. Acceda a la página que aparece en el índice y busque el nombre de su medicamento en la primera columna de la lista.

### Formulary Legend

#### Columna 1:

Un medicamento se enumera alfabéticamente por su marca y nombres genéricos en la categoría terapéutica y clase a la que pertenece.

El nombre genérico de un medicamento de marca se incluye después del nombre de marca entre paréntesis y todas las letras minúsculas en negrita y cursiva.

Si un equivalente genérico para un medicamento de marca está disponible, y tanto el nombre de marca como los equivalentes genéricos están cubiertos, el medicamento genérico se enumerará por separado del medicamento de marca en todas las letras minúsculas en negrita y cursiva.

If a generic drug is marketed under a proprietary, trademark protected brand name, the brand name is listed in all CAPITAL letters after the generic name in parentheses and regular typeface with first letter of each word capitalized.

| <b>Ejemplo</b>                                       |                                                                           |
|------------------------------------------------------|---------------------------------------------------------------------------|
| Medicamentos genéricos                               | <b><i>atorvastatin calcium</i></b>                                        |
| Medicamentos genéricos comercializados con una marca | [Ethinodiol Diacet & Eth Estrad] ZOVIA 1/35E (28) TABS 1-35 MG-MCG        |
| Marca                                                | ADVAIR DISKUS AEPB 250-50 MCG/DOSE <b><i>[fluticasone-salmeterol]</i></b> |

Todas las **formas** de dosificación y **fortalezas** para un medicamento en particular listado puede no estar **en el formulario**. Algunos medicamentos tienen múltiples formas de dosificación. En tales casos, algunas dosis pueden estar en el formulario y otros no.

Algunos de estos medicamentos pueden estar disponibles solo en un entorno clínico y su costo compartido aplicable puede aplicarse.

#### **Columna 2:**

La segunda columna, "Drug Tier", indicará en qué número de nivel se encuentra el medicamento. Los medicamentos en el formulario comercial de California se clasifican:

|                                              |
|----------------------------------------------|
| <b><u>Nivel 1</u></b> – Nivel genérico       |
| <b><u>Nivel 2</u></b> –Nivel de marca        |
| <b><u>Nivel 4</u></b> –Nivel de especialidad |

El formulario es una lista de medicamentos cubiertos. Kaiser Permanente considera los medicamentos colocados en los medicamentos Tier 1 (Genérico) y Tier 2 (Marca) como medicamentos preferidos. Kaiser Permanente no tiene un nivel que se alinee con la definición de medicamentos de nivel 3 (Nen el valorpreferido Brand) que están cubiertos a un costo más altocompartido.

#### **¿Qué son los medicamentos genéricos?**

Un medicamento genérico es aprobado por la FDA como tener el mismo ingrediente activo que el medicamento de marca. Generalmente, los medicamentos genéricos cuestan menos que los medicamentos de marca.

#### **¿Qué son los medicamentos de marca?**

Medicamentos de marca son fabricados y vendidos por la compañía farmacéutica que originalmente investigó y desarrolló la droga. Cuando la patente de un medicamento de marca expira, otras compañías farmacéuticas pueden fabricar y vender una versión genérica aprobada por la FDA del medicamento con el mismo ingrediente activo a precios más bajos.

#### **Qué son los medicamentos de nivel especial**

Los medicamentos de nivel especializado son medicamentos de muy alto costo aprobados por la FDA que están en nuestro formulario.

Para obtener información sobre el costo compartido para cada nivel de medicamentos y cualquier máximo de dólar aplicable en su paquete de beneficios del plan de salud, consulte el "Resumen de costo compartido" de su EOC(*Evidencia de cobertura*).).

Si los Cargos por Servicios son menores que el Copago descrito en su EOC, usted pagará la cantidad menor, sujeto a cualquier deducible o máximo de su bolsillo aplicable.

Nota: El nivel en el que se clasifica un medicamento genérico o de marca puede cambiar en cualquier momento del año. Además, ciertos medicamentos de marca pueden estar cubiertos con la cuota de costo que se aplica para el Nivel 1 y ciertos medicamentos genéricos pueden estar cubiertos en la cuota de costo de Nivel 2. El nivel 4 es para medicamentos especiales que están cubiertos a un costo más alto compartido.

### Columna 3:

La tercera columna del gráfico indicará cualquier requisito o límite para ese medicamento.

| Clave de las abreviaturas del formulario                                                                                                                                                                                                                                                                                                                                                                               |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>QL</b> - Límites de cantidad para ciertos medicamentos, podemos limitar la cantidad de medicamento que usted puede recibir. Además, cuando hay una escasez nacional de un medicamento, podemos may limitar la cantidad de la droga dispensada.                                                                                                                                                                      |
| <b>LD</b> = Los medicamentos de distribución limitada solo se pueden obtener en ciertas farmacias especializadas. Para localizar una farmacia especializada, consulte su guía electrónica para miembros en <a href="http://kp.org/equidebook">kp.org/equidebook</a> (bajo el directorio de instalaciones) o comuníquese con Servicios para Miembros.                                                                   |
| <b>OC</b> = Hay un límite máximo en el monto de copago/coseguro para los medicamentos contra el cáncer administrados por vía oral de no más de \$200 por suministro de 30 días. Consulte su Resumen de Beneficios para obtener información más detallada.                                                                                                                                                              |
| <b>PREV</b> = Los medicamentos preventivos para la salud son medicamentos selectos requeridos por la ley federal para ser cubiertos sin cargo alguno a los miembros en planes selectos. Los medicamentos preventivos para la salud se determinan sobre la base de recomendaciones basadas en evidencia del Grupo de Trabajo de Servicios Preventivos de los Estados Unidos (USPSTF) con una calificación de "A" o "B". |
| <b>MB</b> = Un medicamento de beneficio médico es un medicamento que generalmente no es autoadministrado y administrado por un profesional de la salud. El beneficio de medicamentos recetados para pacientes ambulatorios incluye medicamentos aprobados por la FDA que son autoadministrados, comúnmente orales, o autoinyectables, no excluidos de la cobertura.                                                    |

Kaiser Permanente no discrimina a ninguna persona por su edad, raza, etnia, color, país de origen, antecedentes culturales, ascendencia, religión, sexo, identidad de género, expresión de género, orientación sexual, estado civil, discapacidad física o mental, fuente de pago, información genética, ciudadanía, lengua materna o estado migratorio.

La Central de Llamadas de Servicio a los Miembros (Member Service Contact Center) brinda servicios de asistencia con el idioma las 24 horas del día, los siete días de la semana (excepto los días festivos). Se ofrecen servicios de interpretación sin costo alguno para usted durante el horario de atención, incluido el lenguaje de señas. También podemos ofrecerle a usted, a sus familiares y amigos cualquier ayuda especial que necesiten para acceder a nuestros centros de atención y servicios. Además, puede solicitar los materiales del plan de salud traducidos a su idioma, y también los puede solicitar con letra grande o en otros formatos que se adapten a sus necesidades. Para obtener más información, llame al **1-800-788-0616** (los usuarios de la línea TTY deben llamar al **711**).

Una queja es una expresión de inconformidad que manifiesta usted o su representante autorizado a través del proceso de quejas. Una queja incluye una queja formal o una apelación. Por ejemplo, si usted cree que ha sufrido discriminación de nuestra parte, puede presentar una queja. Consulte su *Evidencia de Cobertura (Evidence of Coverage)* o *Certificado de Seguro (Certificate of Insurance)*, o comuníquese con un representante de Servicio a los Miembros (Member Services) para conocer las opciones de resolución de disputas que le corresponden. Esto tiene especial importancia si es miembro de Medicare, MediCal, MRMIP (Major Risk Medical Insurance Program, Programa de Seguro Médico para Riesgos Mayores), MediCal Access, FEHBP (Federal Employees Health Benefits Program, Programa de Beneficios Médicos para los Empleados Federales) o CalPERS ya que dispone de otras opciones para resolver disputas.

Puede presentar una queja de las siguientes maneras:

- completando un formulario de queja o de reclamación/solicitud de beneficios en una oficina de Servicio a los Miembros ubicada en un centro del plan (consulte las direcciones en *Su Guía*)
- enviando por correo su queja por escrito a una oficina de Servicio a los Miembros en un centro del plan (consulte las direcciones en *Su Guía*)
- llamando a la línea telefónica gratuita de la Central de Llamadas de Servicio a los Miembros al **1-800-788-0616** (los usuarios de la línea TTY deben llamar al **711**)
- completando el formulario de queja en nuestro sitio web en [kp.org](http://kp.org)

Llame a nuestra Central de Llamadas de Servicio a los Miembros si necesita ayuda para presentar una queja.

Se le informará al coordinador de derechos civiles (Civil Rights Coordinator) de Kaiser Permanente de todas las quejas relacionadas con la discriminación por motivos de raza, color, país de origen, género, edad o discapacidad. También puede comunicarse directamente con el coordinador de derechos civiles de Kaiser Permanente en One Kaiser Plaza, 12th Floor, Suite 1223, Oakland, CA 94612.

También puede presentar una queja formal de derechos civiles de forma electrónica ante la Oficina de Derechos Civiles (Office for Civil Rights) en el Departamento de Salud y Servicios Humanos de los Estados Unidos (U. S. Department of Health and Human Services) mediante el portal de quejas formales de la Oficina de Derechos Civiles (Office for Civil Rights), en [ocrportal.hhs.gov/ocr/portal/lobby.jsf](http://ocrportal.hhs.gov/ocr/portal/lobby.jsf), o por correo postal o por teléfono a: U.S. Department of Health and Human Services, 200 Independence Avenue SW, Room 509F, HHH Building, Washington, D.C. 20201, 1-800-368-1019, 1-800-537-7697(línea TDD). Los formularios de queja formal están disponibles en <http://www.hhs.gov/ocr/office/file/index.html>.
