KAISER PERMANENTE • MEDICATION THERAPY MANAGEMENT (MTM) PROGRAM

Do I qualify for the MTM program?

You may be eligible if:

- You are a current member of Kaiser Permanente
- Your plan includes Medicare Part D covered medicines
- You have **three (3)** or more chronic conditions, are taking **eight (8)** or more medications, and will spend more than **\$1,276.00** on drug costs annually.
- You are currently enrolled in a Drug Management Program (DMP)

How do I enroll in the MTM program?

A member of our MTM team may contact you by letter, phone, or secure message through kp.org if you qualify for the program. For more information, you can visit kp.org/seniorrx or call our MTM team at **1-888-901-4600 (TTY 711)**, **8 a.m. to 8 p.m., 7 days a week**

Our Medication Therapy Management (MTM) Program connects you and your doctor with specially trained pharmacists to make sure all the medications you take are necessary, safe, and effective.

1. It starts with a short phone call from an MTM team member to review all your medicines:
 - Medications for chronic conditions like diabetes, high blood pressure, and heart disease
 - Vitamins and other supplements
 - Over-the-counter (OTC) medicines like aspirin and ibuprofen
2. We'll look for ways to reduce side effects, prevent harmful drug interactions, and lower drug costs.
3. You'll receive an action plan based on your needs to help you get the most out of your medications.
4. We'll stay in touch to keep you on a healthy track.

The MTM program is not a benefit. It's an extra service offered at no additional cost to members who qualify.
