

# Criteria-Based Consultation Prescribing Program

## CRITERIA FOR DRUG COVERAGE

### epinephrine nasal spray (Neffy)

**Notes:**

- Quantity Limits: Yes

**Initiation (new start) criteria, and criteria for new and current Kaiser Permanente members already taking the medication who have not been reviewed previously:**

Non-formulary **epinephrine nasal spray (Neffy)** will be covered on the prescription drug benefit when the following criteria are met:

- Prescriber is an allergist
- Patient weighs at least 66 pounds (30 kg)
- Patient does not have an underlying structural and anatomical nasal condition (e.g., polyps, history of nasal fractures or injuries, or history of nasal surgery)
- Prescriber attestation that patient is unable to utilize an epinephrine auto-injector product.
