Medicare Part D prescription drug coverage†

Most persons who are entitled to Medicaid benefits also get Extra Help from Medicare to pay for their prescription drug plan costs. Medicare provides Extra Help to pay prescription drug costs for people who have limited income and resources. If you are entitled to Extra Help, the copayments and coinsurance discussed below do not apply to you; instead, please refer to the **Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs**.

If you aren't entitled to Extra Help, the amount you pay for drugs will be different depending on:

- The tier your drug is in. There are 6 drug tiers. To find out which of the 6 tiers your drug is in, see our Part D formulary at kp.org/seniorrx or call Member Services to ask for a copy at **1-800-232-4404** (TTY **711**), 7 days a week, 8 a.m. to 8 p.m.
- The day supply quantity you get (like a 30–day or 90–day supply). Note: A supply greater than a 30–day supply isn’t available for all drugs.
- When you get a 31– to 90–day supply, whether you get your prescription filled by one of our retail plan pharmacies or our mail-order pharmacy. Note: Not all drugs can be mailed.
- The coverage stage you’re in (deductible, initial coverage or catastrophic coverage stages).

Deductible stage

For drugs in Tiers 1, 2, and 6, there’s no drug deductible and you start the year in the initial coverage stage. If you aren’t entitled to Extra Help, for drugs in Tiers 3, 4, and 5, there is a deductible stage. For drugs in Tiers 3, 4, and 5, you must pay the full cost of the drugs until you have spent **\$400** for them in 2025. After you have met the deductible, you move on to the initial coverage stage for Tier 3, 4, and 5 drugs. The deductible doesn’t apply to covered insulin products and most adult Part D vaccines, including shingles, tetanus, and travel vaccines.

Initial coverage stage

If you aren’t entitled to Extra Help, you pay the copays and coinsurance shown in the chart below until your out-of-pocket costs reach **\$2,000**. If you reach the \$2,000 limit in 2025, you move on to the catastrophic stage and your coverage changes.

Drug tier	Retail plan pharmacy		
	Up to a 30–day supply	31– to 60–day supply	61– to 90–day supply
Tier 1 (Preferred generic)	\$0	\$0	\$0
Tier 2 (Generic)	\$7	\$14	\$21
Tier 3* (Preferred brand-name)	\$47	\$94	\$141
Tier 4* (Non-preferred drugs)	\$100	\$200	\$300
Tier 5* (Specialty)	28%		
Tier 6** (Vaccines)	\$0	N/A	

*For each insulin product covered by our plan in Tiers 1 through 5, you pay nothing.

**Our plan covers most Part D vaccines at no cost to you.

Drug tier	Mail-order plan pharmacy		
	Up to a 30-day supply	31- to 60-day supply	61- to 90-day supply
Tier 1 (Preferred generic)	\$0	\$0	\$0
Tier 2 (Generic)	\$0	\$0	\$0
Tier 3* (Preferred brand-name)	\$47	\$94	\$94
Tier 4* (Non-preferred drugs)	\$100	\$200	\$200
Tier 5* (Specialty)	28%		

Note: Tier 6 (vaccines) are not available through mail order.

*For each insulin product covered by our plan in Tiers 1 through 5, you pay nothing.

Catastrophic coverage stage

If you or others on your behalf spend **\$2,000** on your Part D prescription drugs in 2025, you'll enter the catastrophic coverage stage. Most people never reach this stage, but if you do, you pay nothing for covered Part D drugs in 2025.

Long-term care, plan home-infusion, and non-plan pharmacies

- If you live in a **long-term care facility** and get your drugs from their pharmacy, you pay the same as at a retail plan pharmacy and you can get up to a 31-day supply.
- Covered Part D **home infusion** drugs from a plan home-infusion pharmacy are provided at no charge.
- If you get covered Part D drugs from a **non-plan pharmacy**, you pay the same as at a retail plan pharmacy and you can get up to a 30-day supply. Generally, we cover drugs filled at a non-plan pharmacy only when you can't use a network pharmacy, like during a disaster. See the **Evidence of Coverage** for details.

Advantage Plus (optional benefits)

In addition to the benefits that come with your plan, you can choose to buy a supplemental benefit package called Advantage Plus. Advantage Plus gives you extra coverage for an additional monthly cost that's added to your monthly plan premium. See the **Evidence of Coverage** for details.

Who can enroll

You can sign up for this plan if:

- You have both Medicare Part A and Part B. (To get and keep Medicare, most people must pay Medicare premiums directly to Medicare. These are separate from the premiums you pay our plan.)
- You have Medicaid benefits.
- You're a citizen or lawfully present in the United States.
- You live in our plan's service area, which includes:
 - Cherokee, Clayton, Cobb, Coweta, DeKalb, Douglas, Fayette, Forsyth, Fulton, Gwinnett, and Henry counties
 - These ZIP codes in Paulding County: 30127, 30134, and 30141

Coverage rules

We cover the services and items listed in this document and the **Evidence of Coverage**, if:

- The services or items are medically necessary.
- The services and items are considered reasonable and necessary according to Original Medicare's standards.
- You get all covered services and items from plan providers listed in our **Provider Directory** and **Pharmacy Directory**. But there are exceptions to this rule. We also cover:
 - Care from plan providers in another Kaiser Permanente Region
 - Emergency care
 - Out-of-area dialysis care
 - Out-of-area urgent care (covered inside the service area from plan providers and in rare situations from non-plan providers)
 - Referrals to non-plan providers if you got approval in advance (prior authorization) from our plan in writing
 - Routine care from a Southeast Permanente Medical Group network physician in our Western Metro Atlanta service area

Note: You pay the same plan copays and coinsurance when you get covered care listed above from non-plan providers. If you receive non-covered care or services, you must pay the full cost.

For details about coverage rules, including non-covered services (exclusions), see the **Evidence of Coverage**.

Getting care

At most of our plan facilities, you can usually get all the covered services you need, including specialty care, pharmacy, and lab work. To find our provider locations, see our **Provider Directory** or **Pharmacy**

Directory at kp.org/directory or ask us to mail you a copy by calling Member Services at **1-800-232-4404** (TTY **711**), 7 days a week, 8 a.m. to 8 p.m.

The formulary, pharmacy network, and/or provider network may change at any time. You will receive notice when necessary.

Your personal doctor

Your personal doctor (also called a primary care physician) will give you primary care and will help coordinate your care, including hospital stays, referrals to specialists, and prior authorizations. Most personal doctors are in internal medicine or family practice. You must choose one of our available plan providers to be your personal doctor. You can change your doctor at any time and for any reason. You can choose or change your doctor by calling Member Services or at kp.org.

Help managing conditions

If you have more than one ongoing health condition and need help managing your care, we can help. Our case management programs bring together nurses, social workers, and your personal doctor to help you manage your conditions. The program provides education and teaches self-care skills. If you're interested, please ask your personal doctor for more information.

Medicare prescription payment plan

The Medicare Prescription Payment Plan is a new payment option for 2025 that can help you manage your drug costs by spreading them out during the year as monthly payments. This program is available to anyone with Medicare Part D and works with your drug coverage. It can be especially helpful to people with high drug cost sharing earlier in the plan year and help manage out-of-pocket drug costs, but it doesn't save you money or lower your drug costs. Contact us or visit [Medicare.gov](https://www.medicare.gov) to learn more about this program.

Notices

Appeals and grievances

You can ask us to provide or pay for an item or service you think should be covered by submitting a claim to us within a specific time period that includes the date you received the item or service. If we say no, you can ask us to reconsider our decision. This is called an appeal. You can ask for a fast decision if you think waiting could put your health at risk. If your doctor agrees, we'll speed up our decision.

If you have a complaint that's not about coverage, you can file a grievance with us. See the **Evidence of Coverage** for details about the processes for making complaints and making coverage decisions and appeals, including fast or urgent decisions for drugs, services, or hospital care.

Privacy

We protect your privacy. See the **Evidence of Coverage** or view our **Notice of Privacy Practices** at kp.org/privacy to learn more.

Helpful definitions (glossary)

Allowance

A dollar amount you can use toward the purchase of an item. If the price of the item is more than the allowance, you pay the difference.

Benefit period

The way our plan measures your use of skilled nursing facility services. A benefit period starts the day you go into a hospital or skilled nursing facility (SNF). The benefit period ends when you haven't gotten any inpatient hospital care or skilled care in an SNF for 60 days in a row. The benefit period isn't tied to a calendar year. There's no limit to how many benefit periods you can have or how long a benefit period can be.

Calendar year

The year that starts on January 1 and ends on December 31.

Coinsurance

A percentage you pay of our plan's total charges for certain services or prescription drugs. For example, a 20% coinsurance for a \$200 item means you pay \$40.

Copay

The set amount you pay for covered services — for example, a \$20 copay for an office visit.

Deductible

It's the amount you must pay for Medicare Part D drugs before you will enter the initial coverage stage.

Evidence of Coverage

A document that explains in detail your plan benefits and how your plan works.

Maximum out-of-pocket responsibility

The most you'll pay in copays or coinsurance each calendar year for services that are subject to the maximum. If you reach the maximum, you won't have to pay any more copays or coinsurance for services subject to the maximum for the rest of the year.

Medically necessary

Services, supplies, or drugs that are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

Non-plan provider

A provider or facility that doesn't have an agreement with Kaiser Permanente to deliver care to our members.

Plan

Kaiser Permanente Senior Advantage.

Plan premium

The amount you pay for your Senior Advantage health care and prescription drug coverage.

Plan provider

A plan or network provider can be a facility, like a hospital or pharmacy, or a health care professional, like a doctor or nurse.

Prior authorization

Some services or items are covered only if your plan provider gets approval in advance from our plan (sometimes called prior authorization). Services or items subject to prior authorization are flagged with a † symbol in this document.
