This document is a summary. It doesn't include everything about what's covered and not covered or all the plan rules. For details, see the **Evidence of Coverage (EOC)**, which is located on our website at **kp.org/eocco** or ask for a copy from Member Services by calling **1-800-476-2167 (TTY 711)**, 7 days a week, 8 a.m. to 8 p.m.

Kaiser Permanente Senior Advantage Choice South has a network of providers, including doctors, hospitals, and pharmacies. You pay in-network cost-sharing when you receive care from a network provider. You may also see any out-of-network provider who accepts Medicare, but you may pay higher copays and coinsurance when you receive care from an out-of-network provider. If you use an out-of-network pharmacy, our plan may not pay for the drugs or you may pay more than a preferred in-network pharmacy.

Medicare Part D prescription drug coverage†

You generally must use network pharmacies to fill your prescriptions for covered Part D drugs. Note: If you use an out-of-network non-plan pharmacy, our plan may not pay for the drugs or you may pay more than you would pay at an in-network pharmacy.

The amount you pay for drugs will be different depending on:

- The tier your drug is in. There are 6 drug tiers. To find out which of the 6 tiers your drug is in, see our Part D formulary at **kp.org/seniorrx** or call Member Services to ask for a copy at **1-800-476-2167** (TTY **711**), 7 days a week, 8 a.m. to 8 p.m.
- The day supply quantity you get (like a 30-day or 90-day supply). Note: A supply greater than a 30-day supply isn't available for all drugs.
- The type of plan pharmacy that fills your prescription (preferred pharmacy, standard pharmacy, or our mail-order pharmacy). To find our pharmacy locations, see the **Pharmacy Directory** at **kp.org/directory**. Note: Not all drugs can be mailed.
- The coverage stage you're in (deductible, initial coverage or catastrophic coverage stages).

Note: Medicare provides Extra Help to pay prescription drug costs for people who have limited income and resources. If you are entitled to Extra Help, the cost-sharing below may not apply to you; instead, please refer to the **Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs**.

Deductible stage

Because we have no deductible, this payment stage does not apply to you and you start the year in the initial coverage stage.

Initial coverage stage

You pay the copays and coinsurance shown in the chart below until your out-of-pocket costs reach **\$2,100**. If you reach the \$2,100 limit in 2026, you move on to the catastrophic stage and your coverage changes.

Long-term care, plan home-infusion, and non-plan pharmacies

- If you live in a **long-term care facility** and get your drugs from their pharmacy, you pay the same as at a preferred plan pharmacy and you can get up to a 31-day supply.
- Covered Part D **home infusion** drugs from a plan home-infusion pharmacy are provided at no charge.
- If you get covered Part D drugs from an out-of-network **non-plan pharmacy**, you pay the same as at a preferred plan pharmacy and you can get up to a 30-day supply. Generally, we cover drugs filled at a non-plan pharmacy only when you can't use a network pharmacy, like during a disaster. See the **Evidence of Coverage** for details.

Who can enroll

You can sign up for one of our plans if:

- You have both Medicare Part A and Part B. (To get and keep Medicare, most people must pay Medicare premiums directly to Medicare. These are separate from the premiums you pay our plan.)
- You're a citizen or lawfully present in the United States.
- You live in the service area for these plans, which includes all of El Paso, Fremont, Pueblo and Teller counties.

Coverage rules

We cover the services and items listed in this document and the **Evidence of Coverage**, if:

- The services or items are medically necessary.
- The services and items are considered reasonable and necessary according to Original Medicare's standards.
- You get all covered services and items from a provider who is eligible to provide services under Original Medicare. As a member of our plan, you can receive your care from either an in-network provider (plan provider) or an out-of-network provider (non-plan provider).
 - The plan providers in our network are listed in our **Provider Directory** and **Pharmacy Directory**.
 - If you use a non-plan provider, your share of the costs for your covered services may be higher.
 - Please note: Although you can get your care from a non-plan provider, the provider must be eligible to participate in Medicare. Except for emergency care, we can't pay a provider who isn't eligible to participate in Medicare. If you go to a provider who is not eligible to participate in Medicare, you will be responsible for the full cost of the services you receive. Check with your providers before receiving services to confirm that they are eligible to participate in Medicare.

For details about coverage rules, including non-covered services (exclusions), see the **Evidence of Coverage**.

Getting care

Getting care in-network

At most of our plan facilities, you can usually get all the covered services you need in-network, including specialty care, pharmacy, and lab work. To find our plan provider locations, see our Provider Directory or Pharmacy Directory at **kp.org/directory** or ask us to mail you a copy by calling Member Services at **1-800-476-2167** (TTY **711**), 7 days a week, 8 a.m. to 8 p.m.

The formulary, pharmacy network, and/or provider network may change at any time. You will receive notice when necessary.

Your personal doctor

Your personal doctor (also called a primary care physician) will give you primary care and will help coordinate your in-network care, including hospital stays, referrals to specialists, and prior authorizations. Most personal doctors are in internal medicine or family practice. You may choose one of our available plan providers to be your personal doctor. You can change your personal doctor at any time and for any reason. You can choose or change your personal doctor by calling **1-855-208-7221** (TTY **711**), weekdays 7 a.m. to 5:30 p.m. or at **kp.org**.

Help managing conditions

If you have more than one ongoing health condition and need help managing your care, we can help. Our case management programs bring together nurses, social workers, and your personal doctor to help you

manage your conditions. The program provides education and teaches self-care skills. If you're interested, please ask your personal doctor for more information.

Medicare prescription payment plan

The Medicare Prescription Payment Plan is a payment option that can help you manage your drug costs by spreading them out during the year as monthly payments. This program is available to anyone with Medicare Part D and works with your drug coverage. It can be especially helpful to people with high drug cost sharing earlier in the plan year and help manage out-of-pocket drug costs, but it doesn't save you money or lower your drug costs. Contact us or visit **medicare.gov** to learn more about this program.

Getting care out-of-network

As a member of our plan, you can choose to receive care from out-of-network providers (non-plan providers). However, please note providers that do not contract with us are under no obligation to treat you, except in emergency situations. Our plan will cover services from either plan providers or non-plan providers, as long as the services are covered benefits and are medically necessary. However, if you use an out-of-network provider, your share of the costs for your covered services may be higher.

You don't need to get a referral or prior authorization when you get care from out-of-network providers. However, before getting services from out-of-network providers, you may want to ask for a pre-visit coverage decision to confirm that the services you are getting are covered and are medically necessary.

If you are using an out-of-network provider for emergency care, urgently needed services, or out-of-area dialysis, you may not have to pay a higher cost-sharing amount. See the **Evidence of Coverage** for more information about these situations.

Notices

Appeals and grievances

You can ask us to provide or pay for an item or service you think should be covered by submitting a claim to us within a specific time period that includes the date you received the item or service. If we say no, you can ask us to reconsider our decision. This is called an appeal. You can ask for a fast decision if you think waiting could put your health at risk. If your doctor agrees, we'll speed up our decision.

If you have a complaint that's not about coverage, you can file a grievance with us. See the **Evidence of Coverage** for details about the processes for making complaints and making coverage decisions and appeals, including fast or urgent decisions for drugs, services, or hospital care.

Privacy

We protect your privacy. See the **Evidence of Coverage** or view our **Notice of Privacy Practices** at **kp.org/privacy** to learn more.

Helpful definitions (glossary)

Allowance

A dollar amount you can use toward the purchase of an item. If the price of the item is more than the allowance, you pay the difference.

Benefit period

The way our plan measures your use of skilled nursing facility services. A benefit period starts the day you go into a hospital or skilled nursing facility (SNF). The benefit period ends when you haven't

gotten any inpatient hospital care or skilled care in an SNF for 60 days in a row. The benefit period isn't tied to a calendar year. There's no limit to how many benefit periods you can have or how long a benefit period can be.

Calendar year

The year that starts on January 1 and ends on December 31.

Coinsurance

A percentage you pay of our plan's total charges for certain services or prescription drugs. For example, a **20%** coinsurance for a **\$200** item means you pay **\$40**.

Combined maximum out-of-pocket responsibility

The most you'll pay in copays or coinsurance each calendar year for services received from both network providers and out-of-network providers that are subject to the maximum. If you reach the maximum, you won't have to pay any more copays or coinsurance for services received from both network and out-of-network providers subject to the maximum for the rest of the year.

Copay

The set amount you pay for covered services — for example, a **\$20** copay for an office visit.

Deductible

It's the amount you must pay for Medicare Part D drugs before you will enter the initial coverage stage.

Evidence of Coverage

A document that explains in detail your plan benefits and how your plan works.

In-network maximum out-of-pocket responsibility

The most you'll pay in copays or coinsurance each calendar year for services received from network providers that are subject to the maximum. If you reach the maximum, you won't have to pay any more copays or coinsurance for services received from network providers subject to the maximum for the rest of the year. However, until you reach your combined out-of-pocket amount, you must continue to pay copays or coinsurance when you get care from an out-of-network providers.

Medically necessary

Services, supplies, or drugs that are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

Out-of-network pharmacy

A pharmacy that doesn't have an agreement with Kaiser Permanente to provide covered drugs to our members. Most drugs you get from out-of-network pharmacies are not covered by our plan unless certain conditions apply.

Out-of-network provider

A provider or facility that doesn't have an agreement with Kaiser Permanente to deliver care to our members. You may pay a higher copay or coinsurance when you see an out-of-network provider.

Plan

Kaiser Permanente Senior Advantage.

Plan premium

The amount you pay for your Senior Advantage health care and prescription drug coverage.

Plan (network) provider

A plan or network provider can be a facility, like a hospital or pharmacy, or a health care professional, like a doctor or nurse.

Preferred pharmacy

A plan pharmacy where you can get your prescriptions at preferred copays. These pharmacies are usually located at plan medical offices (see the **Pharmacy Directory** for locations). The amount you

pay at these pharmacies is less than you pay at other plan pharmacies that only offer standard copays, which are referred to in this document as standard pharmacies.

Preferred Provider Organization (PPO) plan

A PPO plan is a Medicare Advantage plan that has a network of contracted providers that have agreed to treat plan members for a specified payment amount. A PPO plan must cover all plan benefits whether they are received from network or out-of-network providers. Member cost-sharing will generally be higher when plan benefits are received from out-of-network providers.

Prior authorization

Some services or items are covered only if your plan provider gets approval in advance from our plan (sometimes called prior authorization). Services or items subject to prior authorization are flagged with a † symbol in this document.

Region

A Kaiser Foundation Health Plan organization. We have Kaiser Permanente Regions located in Northern California, Southern California, Colorado, Georgia, Hawaii, Maryland, Oregon, Virginia, Washington, and Washington, D.C.

Retail plan pharmacy

A plan pharmacy where you can get prescriptions. These pharmacies are usually located at plan medical offices.

Standard pharmacy

A plan pharmacy where you can get your prescriptions at standard copays. These pharmacies aren't usually located at plan medical offices (see the **Pharmacy Directory** for locations). The amount you pay at these pharmacies is more than you pay at plan pharmacies that only offer preferred copays, which are referred to in this document as preferred pharmacies.

Kaiser Permanente is a PPO plan with a Medicare contract. Enrollment in Kaiser Permanente depends on contract renewal. By law, our plan or CMS can choose not to renew our Medicare contract.

Kaiser Permanente's pharmacy network includes limited lower-cost, preferred pharmacies in Colorado. The lower costs advertised in our plan materials for these pharmacies may not be available at the pharmacy you use. For up-to-date information about our network pharmacies, including whether there are any lower-cost preferred pharmacies in your area, please call **1-800-476-2167** (TTY **711**), 7 days a week, 8 a.m. to 8 p.m. or consult the online pharmacy directory at **kp.org/directory**.
