## **¿Qué es la Lista de medicamentos aprobados del Mercado de California de Kaiser Permanente?**

La Lista de medicamentos aprobados del Mercado de California (California Marketplace Formulary) es una lista de los medicamentos cubiertos elegidos por un grupo de médicos y farmacéuticos de Kaiser Permanente que se conocen como el Comité de Farmacia y Terapéutica (Pharmacy and Therapeutics Committee). El Comité se reúne periódicamente para evaluar y seleccionar medicamentos que son seguros y eficaces para nuestros miembros. Esta Lista de medicamentos aprobados cumple con los requisitos delineados en las regulaciones federales de Planes de Salud Calificados (*Qualified Health Plans*) que se ofrecen en un mercado de seguros de salud (en California, el mercado se conoce como *Covered California*).

## **¿Qué medicamentos están cubiertos?**

En general, Kaiser Permanente cubrirá medicamentos de marca y genéricos incluidos en la Lista de medicamentos aprobados del Mercado de California siempre que el medicamento sea necesario desde el punto de vista médico, se surte el medicamento recetado en una farmacia de Kaiser Permanente o una farmacia afiliada, y se siguen otras reglas de cobertura.

Si a usted le recetan un medicamento incluido que la Lista de medicamentos aprobados del Mercado de California, el medicamento se cubrirá de conformidad con los términos de su beneficio de medicamentos.

## **Cómo obtener una excepción a la lista de medicamentos aprobados**

Los medicamentos que no figuran en la lista de medicamentos aprobados se llaman medicamentos no incluidos en la lista de medicamentos aprobados (*non-formulary drugs*). Si un médico de Kaiser Permanente determina que un medicamento que no está incluido en la lista de medicamentos aprobados es apropiado y necesario desde el punto de vista médico, ese medicamento estará cubierto según los términos de sus beneficios (si tiene un beneficio de medicamentos recetados). Si no tiene un beneficio de medicamentos recetados, tendrá que pagar el precio minorista total del medicamento.

La manera más efectiva de obtener una excepción a la lista de medicamentos aprobados es enviar un correo electrónico seguro a su médico. Usted y su médico son quienes mejor pueden determinar los medicamentos que usted necesita.

También puede comunicarse con Servicio a los Miembros, llenando un formulario en línea. O llame a Servicio a los Miembros, las 24 horas del día, los 7 días de la semana.

### **¿Hay alguna restricción a los medicamentos cubiertos por la Lista de medicamentos aprobados?**

Algunos medicamentos cubiertos pueden tener requisitos o límites de cobertura adicionales, como por ejemplo límites a la cantidad. Para determinados medicamentos, Kaiser Permanente puede limitar la cantidad del medicamento que se dispensa a un suministro de una determinada cantidad de días. Además, cuando haya escasez nacional de un medicamento, podríamos limitar la cantidad dispensada del medicamento.

### **¿Qué es un medicamento de marca?**

Los medicamentos de marca en general son fabricados y vendidos por la compañía farmacéutica que hizo la investigación y el desarrollo original del medicamento. Cuando vence la patente del medicamento de marca, otras compañías farmacéuticas pueden fabricar y vender una versión genérica del medicamento aprobada por la FDA con el/los mismo(s) ingrediente(s) activo(s) a un precio menor.

### **¿Qué es un medicamento genérico?**

Un medicamento genérico está aprobado por la FDA al tener el mismo ingrediente activo que el medicamento de marca. En general los medicamentos genéricos tienen menor costo que los medicamentos de marca.

### **¿Qué medicamentos pueden ser enviados desde la farmacia de pedido por correo?**

La mayoría de los medicamentos pueden ser enviados desde nuestra farmacia de pedido por correo. Es posible que algunos medicamentos (por ejemplo, medicamentos que tienen un costo extremadamente alto o que requieren cuidados especiales) no se puedan enviar por correo. Los medicamentos no se pueden enviar fuera de los Estados Unidos.

Usted puede pedir el resurtido de medicamentos recetados a través de nuestro servicio de pedido por correo en línea en [kp.org/refill](https://kp.org/refill) (en inglés) o por teléfono o con la aplicación móvil. No hay un cargo adicional por pedir los resurtidos por correo. Se aplicará el costo compartido apropiado (según su beneficio de medicamentos recetados).

Su beneficio de medicamentos recetados puede tener un menor costo compartido si usa la farmacia de pedido por correo.

Consulte su *Evidencia de Cobertura (Evidence of Coverage)* para información detallada sobre sus beneficios de medicamentos recetados.

## Lista de medicamentos aprobados del Mercado de California de Kaiser Permanente

Kaiser Permanente puede agregar o eliminar medicamentos de la Lista de medicamentos aprobados del Mercado de California en cualquier momento del año. Estos cambios a la Lista de medicamentos aprobados están basados en información nueva o medicamentos nuevos disponibles.

La Lista de medicamentos aprobados del Mercado de California más reciente empieza en la página 4; proporciona información sobre la cobertura de algunos de los medicamentos cubiertos por Kaiser Permanente. Además puede buscar los medicamentos en forma alfabética usando el índice que empieza en la página 99.

La primera columna de la tabla indica el nombre del medicamento. Los nombres de marca aparecen en mayúscula (ej. ALBENZA) y los medicamentos genéricos aparecen en minúscula y letra cursiva (ej. *amoxicillin*).

Es posible que **no se incluyan en la Lista de medicamentos aprobados** todas las **formas y concentraciones** de las dosis de un determinado medicamento. Algunos medicamentos están disponibles en múltiples dosis. En dichos casos, es posible que algunas dosis estén en la Lista de medicamentos aprobados y otras no. Nota: Algunos de estos medicamentos pueden estar disponibles solo en un entorno clínico.

La segunda columna “Nivel del medicamento” indicará el número de nivel en que se encuentra el medicamento. Los medicamentos en la Lista de medicamentos aprobados del Mercado de California están categorizados en tres niveles.

**Nivel 1** – Nivel genérico

**Nivel 2** – Nivel de marca

**Nivel 4** – Nivel especializado

Nota: El nivel de clasificación de un medicamento genérico o de marca puede cambiar en cualquier momento del año. Además, determinados medicamentos de marca pueden estar cubiertos con el costo compartido que se aplica al Nivel 1 y determinados medicamentos genéricos pueden estar cubiertos con el costo compartido que se aplica al Nivel 2. El Nivel 4 es para medicamentos especializados que se cubren con un costo compartido mayor.

La tercera columna de la tabla indicará cualquier requisito o límite para ese medicamento:

**QL** = Límites de cantidad (*Quantity Limits*): Para determinados medicamentos podremos limitar la cantidad del medicamento que pueda recibir. Además, cuando haya escasez nacional de un medicamento, podremos limitar la cantidad dispensada del medicamento.

Una queja es una expresión de inconformidad que manifiesta usted o su representante autorizado a través del proceso de quejas. Por ejemplo, si usted cree que ha sufrido discriminación de nuestra parte, puede presentar una queja. Consulte su *Evidencia de Cobertura (Evidence of Coverage)* o *Certificado de Seguro (Certificate of Insurance)*, o comuníquese con un representante de Servicio a los Miembros para conocer las opciones de resolución de disputas que le corresponden. Esto tiene especial importancia si es miembro de Medicare, Medi-Cal, el Programa de Seguro Médico para Riesgos Mayores (Major Risk Medical Insurance Program MRMIP), Medi-Cal Access, el Programa de Beneficios Médicos para los Empleados Federales (Federal Employees Health Benefits Program, FEHBP) o CalPERS, ya que dispone de otras opciones para resolver disputas.

Puede presentar una queja de las siguientes maneras:

- Completando un formulario de queja o de reclamación/solicitud de beneficios en una oficina de Servicio a los Miembros ubicada en un centro del plan (consulte las direcciones en *Su Guía* o en el directorio de centros de atención en nuestro sitio web en **kp.org/espanol**)
- Enviando por correo su queja por escrito a una oficina de Servicio a los Miembros en un centro del plan (consulte las direcciones en *Su Guía* o en el directorio de centros de atención en nuestro sitio web en **kp.org/espanol**)
- Llamando a la línea telefónica gratuita de la Central de Llamadas de Servicio a los Miembros al **1-800-788-0616** (los usuarios de la línea TTY deben llamar al **711**)
- Completando el formulario de queja en nuestro sitio web en **kp.org/espanol**

Llame a nuestra Central de Llamadas de Servicio a los Miembros si necesita ayuda para presentar una queja.

Se le informará al coordinador de derechos civiles de Kaiser Permanente (Civil Rights Coordinator) de todas las quejas relacionadas con la discriminación por motivos de raza, color, país de origen, género, edad o discapacidad.
