

Lista de medicamentos recetados disponibles para planes comerciales de organizaciones de proveedores exclusivos o de organizaciones de proveedores exclusivos con deducible de California para 2020

(Lista de medicamentos cubiertos)

ATENCIÓN: ESTE DOCUMENTO CONTIENE INFORMACIÓN ACERCA DE LOS MEDICAMENTOS QUE CUBRIMOS CUANDO USTED PARTICIPA EN UN PLAN AUTOFINANCIADO DE UNA ORGANIZACIÓN DE PROVEEDORES EXCLUSIVOS (EXCLUSIVE PROVIDER ORGANIZATION, EPO) O DE UNA ORGANIZACIÓN DE PROVEEDORES EXCLUSIVOS CON DEDUCIBLE (DEDUCTIBLE EPO, DEPO) DE KAISER PERMANENTE.

La lista de medicamentos recetados disponibles se actualizó el 1/27/2020 y tiene vigencia desde el February 4, de 2020. Este documento con la lista de medicamentos recetados disponibles puede cambiar y también puede variar según su plan de salud. No proporciona información con respecto a una cobertura específica, lo que incluye exclusiones, copagos o coseguros específicos. Podrá encontrar dicha información en su *Descripción Resumida del Plan* u otros documentos del Plan. Para conocer información más reciente acerca de cuál lista de medicamentos recetados disponibles se aplica a su plan, visite kp.org/formulary (en inglés) o, en caso de tener preguntas sobre sus beneficios de recetas médicas, comuníquese con el número de Servicio al Cliente que aparece en su tarjeta de identificación.

¿Qué es la lista de medicamentos recetados disponibles para planes comerciales autofinanciados EPO/DEPO de Kaiser Permanente en California?

La lista de medicamentos recetados disponibles para planes comerciales autofinanciados EPO/DEPO de California es una lista de medicamentos cubiertos elegidos por un grupo de médicos y farmacéuticos de Kaiser Permanente, conocidos como el Comité de Farmacia y Terapéutica. Este comité se reúne con regularidad para evaluar y elegir los medicamentos más seguros y eficaces para nuestros miembros. Esta lista de medicamentos recetados disponibles cumple con los requisitos de la legislación, los reglamentos y las guías estatales de los planes de atención médica comerciales.

¿Qué medicamentos están cubiertos?

La lista de medicamentos recetados disponibles de Kaiser Permanente incluye medicamentos de marca, genéricos y especializados, necesarios desde el punto de vista médico, que aparecen en la lista de medicamentos recetados disponibles para planes comerciales de California, siempre y cuando la receta se surta en Kaiser Permanente o en una farmacia asociada y se cumpla con otras reglas del plan.

Si le recetan un medicamento que se encuentra en la lista de medicamentos recetados disponibles para planes comerciales de California, ese medicamento estará cubierto de acuerdo con los términos de su beneficio de medicamentos.

Cómo obtener una excepción a la lista de medicamentos recetados disponibles

Los medicamentos que no aparecen en la lista de medicamentos recetados disponibles se llaman medicamentos no incluidos en la lista de medicamentos recetados (non-formulary). Cuando un médico de Kaiser Permanente determina que un medicamento no incluido en la lista de medicamentos recetados disponibles es apropiado y necesario desde el punto de vista médico, ese medicamento

estará cubierto de acuerdo con los términos de sus beneficios para medicamentos de venta con receta. Si no recibe sus beneficios para medicamentos de venta con receta por medio de Kaiser Permanente, se le cobrará el precio completo de venta al público por dicho medicamento.

Puede consultar con su médico si se necesita hacer una excepción a la lista de medicamentos recetados disponibles. Usted y su médico son las personas más indicadas para determinar sus necesidades de medicamentos.

Si desea recibir un medicamento no incluido en la lista de medicamentos recetados disponibles que su médico determina que no es necesario desde el punto de vista médico, puede presentar una queja formal ante Servicio a los miembros.

¿Hay alguna restricción sobre los medicamentos cubiertos en la lista de medicamentos recetados disponibles?

Algunos medicamentos cubiertos pueden tener requisitos o límites de cobertura adicionales, como los límites de cantidad. Para algunos medicamentos, Kaiser Permanente puede limitar la cantidad del medicamento entregado a ciertos días de suministro. Además, cuando hay escasez de un medicamento en el país, podríamos limitar la cantidad del medicamento suministrado.

¿Qué es un medicamento de marca?

Por lo general, la fabricación y venta de los medicamentos de marca está a cargo de la compañía farmacéutica que realizó la investigación y desarrolló el medicamento en un primer lugar. Cuando vence la patente de un medicamento de marca, otras compañías farmacéuticas pueden fabricar y vender la versión genérica del medicamento, aprobada por la Administración de Alimentos y Medicamentos de los Estados Unidos (FDA), que contiene el mismo (o los mismos) principio(s) activo(s) a precios más bajos.

¿Qué es un medicamento genérico?

Un medicamento genérico está aprobado por la FDA como un medicamento que contiene el mismo principio activo que el medicamento de marca. Por lo general, los medicamentos genéricos cuestan menos que los de marca.

¿Qué es un medicamento especializado?

Los medicamentos especializados son medicamentos aprobados por la FDA que tienen un costo muy alto, que están incluidos en nuestra lista de medicamentos recetados disponibles y que se usan para tratar afecciones crónicas complejas, tales como artritis reumatoide, esclerosis múltiple o cáncer.

¿Cuáles son los medicamentos elegibles para envíos por parte de la farmacia de pedidos por correo?

La mayoría de los medicamentos se pueden enviar desde nuestra farmacia de pedidos por correo. Algunos medicamentos (por ejemplo, los que tienen un costo extremadamente alto o que requieren un manejo especial) no se pueden pedir por correo. Los medicamentos no se pueden enviar por correo fuera de los Estados Unidos.

Puede pedir en línea el resurtido por medio de nuestro servicio de pedidos por correo en kp.org/refill o por teléfono o aplicación móvil. No hay cargos adicionales de franqueo postal. Se aplicará el costo compartido adecuado (de acuerdo con su beneficio de medicamentos de venta con receta).

Su beneficio de medicamento de venta con receta tal vez tenga un menor costo compartido que si utiliza la farmacia de pedidos por correo.

Consulte su *Descripción Resumida del Plan u otros documentos del Plan* para conocer los detalles completos de su beneficio de medicamentos de venta con receta.

Lista de medicamentos comerciales de California de Kaiser Permanente

Kaiser Permanente podrá agregar o eliminar algunos medicamentos de lista de medicamentos comerciales de California durante el año. Estos cambios a la lista de medicamentos recetados disponibles se basan en la nueva información o los nuevos medicamentos disponibles.

¿Cómo uso la lista de medicamentos recetados disponibles?

Hay dos maneras de buscar su medicamento en la lista de medicamentos recetados disponibles:

Afección médica

La lista de medicamentos recetados disponibles empieza en la página 5. Los medicamentos de esta lista de medicamentos recetados disponibles están agrupados en categorías según el tipo de afección médica para la cual se use el medicamento. Por ejemplo, los medicamentos que se usan para tratar afecciones del corazón figuran en la categoría “Medicamentos cardiovasculares” (*Cardiovascular Drugs*). Si sabe para qué se usa su medicamento, busque el nombre de la categoría en la lista que comienza en la página 5. Luego, busque en esta categoría el nombre de su medicamento.

Listado en orden alfabético

Si no está seguro de en qué categoría debe buscar, busque su medicamento en el índice que comienza en la página 98. El índice ofrece una lista en orden alfabético de todos los medicamentos que figuran en este documento. Consulte el índice y busque su medicamento. Junto al nombre del medicamento, verá el número de la página donde encontrará información sobre la cobertura. Pase a la página señalada en el índice y busque el nombre de su medicamento en la primera columna de la lista.

La primera columna de la tabla contiene el nombre del medicamento. Los medicamentos de marca aparecen con letras mayúsculas (p. ej., ALBENZA) y los genéricos con letras minúsculas y en cursiva (p. ej., *amoxicilina*).

Es posible que **no aparezcan** todas las **dosificaciones** y **concentraciones** para un medicamento particular listado en la **lista de medicamentos recetados disponibles**. Algunos medicamentos pueden tener múltiples formas farmacéuticas. En esos casos, algunas dosis pueden estar en la lista de medicamentos recetados disponibles, mientras que otras no.

Importante: **Algunos de estos medicamentos pueden estar disponibles únicamente en un entorno clínico, y puede aplicarse su costo compartido correspondiente.**

La segunda columna, “Nivel del medicamento”, indicará el número del nivel del medicamento. Los medicamentos incluidos en la lista de medicamentos recetados disponibles para planes comerciales autofinanciados EPO/DEPO de California se categorizan de la siguiente manera:

Nivel 1 – Medicamentos genéricos preferidos

Nivel 2 – Medicamentos de marca preferidos

Nivel 3 – Medicamentos no preferidos (genéricos y de marca)

Nivel 4 – Medicamentos especializados

Importante: Es posible que su plan no incluya beneficios para cada nivel designado. Además, se requiere que algunos medicamentos sean provistos sin costo a los miembros. Consulte su *Descripción Resumida del Plan u otros documentos del plan* para obtener información sobre la cobertura de medicamentos específicos para su plan.

La tercera columna del cuadro indicará cualquier requisito o límite para ese medicamento:

QL = Límites de cantidad. La cantidad que puede recibir puede estar limitada en el caso de algunos medicamentos. Además, cuando hay escasez de un medicamento en el país, podríamos limitar la cantidad del medicamento suministrado.

LD = Los medicamentos de distribución limitada solo se pueden obtener en ciertas farmacias especializadas. Para localizar una farmacia especializada, comuníquese con Servicio al Cliente.

En su guía electrónica para miembros en kp.org/eguidebook, encontrará una lista completa de farmacias KP disponibles para usted, o puede comunicarse con Servicio al Cliente.

Se ofrecen servicios de interpretación sin costo alguno para usted durante el horario de atención, incluido el lenguaje de señas. También podemos ofrecerle a usted, a sus familiares y amigos cualquier ayuda especial que necesiten para acceder a nuestros centros de atención y servicios. Además, puede solicitar los materiales del plan de salud traducidos a su idioma, y también los puede solicitar con letra grande o en otros formatos que se adapten a sus necesidades. Una queja es una expresión de inconformidad que manifiesta usted o su representante autorizado a través del proceso de quejas. Por ejemplo, si usted cree que ha sufrido discriminación de nuestra parte, puede presentar una queja. Consulte su *Evidencia de Cobertura (Evidence of Coverage)* o *Certificado de Seguro (Certificate of Insurance)*, o comuníquese con un representante de Servicio a los Miembros para conocer las opciones de resolución de disputas que le corresponden. Esto tiene especial importancia si es miembro de Medicare, Medi-Cal, el Programa de Seguro Médico para Riesgos Mayores (Major Risk Medical Insurance Program MRMIP), Medi-Cal Access, el Programa de Beneficios Médicos para los Empleados Federales (Federal Employees Health Benefits Program, FEHBP) o CalPERS, ya que dispone de otras opciones para resolver disputas.

Puede presentar una queja de las siguientes maneras:

- completando un formulario de queja o de reclamación/solicitud de beneficios en una oficina de Servicio a los Miembros ubicada en un centro del plan (consulte las direcciones en *Su Guía*)
- enviando por correo su queja por escrito a una oficina de Servicio a los Miembros en un centro del plan (consulte las direcciones en *Su Guía*)
- llamando a la línea telefónica gratuita de la Central de Llamadas de Servicio a los Miembros al **1-800-788-0616** (los usuarios de la línea TTY deben llamar al **711**)
- completando el formulario de queja en nuestro sitio web en **kp.org**

Llame a nuestra Central de Llamadas de Servicio a los Miembros si necesita ayuda para presentar una queja.

Se le informará al coordinador de derechos civiles de Kaiser Permanente (Civil Rights Coordinator) de todas las quejas relacionadas con la discriminación por motivos de raza, color, país de origen, género, edad o discapacidad. También puede comunicarse directamente con el coordinador de derechos civiles de Kaiser Permanente en One Kaiser Plaza, 12th Floor, Suite 1223, Oakland, CA 94612.

También puede presentar una queja formal de derechos civiles de forma electrónica ante la Oficina de Derechos Civiles (Office for Civil Rights) en el Departamento de Salud y Servicios Humanos de los Estados Unidos (U.S. Department of Health and Human Services) mediante el portal de quejas formales de la Oficina de Derechos Civiles (Office for Civil Rights Complaint Portal), en ocrportal.hhs.gov/ocr/portal/lobby.jsf (en inglés) o por correo postal o por teléfono a: U.S. Department of Health and Human Services, 200 Independence Avenue SW, Room 509F, HHH Building, Washington, D.C. 20201, 1-800-368-1019, 1-800-537-7697 (línea TDD). Los formularios de queja formal están disponibles en hhs.gov/ocr/office/file/index.html (en inglés).
