2019 Pharmacy Directory

This pharmacy directory was updated on 3/2019. For more recent information or other questions, please contact Kaiser Permanente Member Services at **1-800-476-2167** or, for TTY users, **711**, seven days a week, 8 a.m. to 8 p.m., or visit **kp.org/seniormedrx**.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at **kp.org/directory**. You may also call Member Services for updated provider information.

INTRODUCTION

This booklet provides a list of our plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the **Evidence of Coverage** and Kaiser Permanente's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy or through our mail order program. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your **Evidence of Coverage**.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 3/01/2019. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside the Denver/Boulder area, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this pharmacy directory on Network Pharmacies outside the Denver/Boulder area or contact Member Services.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Kaiser Permanente's Network Pharmacies

Our pharmacy directory is organized by the type of pharmacy (retail, including chain pharmacies, mail order, home infusion, long-term care, network pharmacies outside the geographic area, specialty pharmacies, and transplant network pharmacies outside the geographic area). Our pharmacies are then listed alphabetically by facility name.
