

KAISER PERMANENTE®
2019 Washington Marketplace Formulary
(List of Covered Drugs)

Please Read: This document contains information about the drugs we cover when you participate in a Kaiser Permanente plan being offered on or off the Washington health insurance marketplace, the *Washington Health Benefit Exchange*.

What is the Kaiser Permanente Washington Marketplace Formulary?

A formulary is a list of covered drugs chosen by a group of Kaiser Permanente physicians and pharmacists known as the Formulary and Therapeutics Committee. This committee meets regularly to evaluate and select the safest, most effective medications for our members. This formulary meets the requirements outlined under the Federal regulations for Qualified Health Plans being offered on or off the Washington health insurance marketplace, the *Washington Health Benefit Exchange*.

What drugs are covered?

Our plan will generally cover the drugs listed on our formulary as long as the drug is medically necessary, the prescription is filled at a Kaiser Permanente or an affiliated pharmacy, and other plan rules are followed.

Drugs listed on the formulary are covered by your prescription drug benefit when dispensed for use in an outpatient setting. Some drugs have restrictions. Using drugs on the formulary helps us maintain quality care for our members while keeping the cost of prescription drugs affordable.

What drugs are not covered?

Drugs not listed on the formulary are not covered unless a Kaiser Permanente or affiliated physician determines that they are medically necessary. Prescriptions for non-formulary medications may be filled at Kaiser Permanente or affiliated pharmacies. The full retail cost of the drug will be charged unless your doctor has obtained an exception.

Are there any restrictions on the drugs covered on the formulary?

Some covered drugs may have additional requirements or limits on coverage. These requirements and limits may include:

Quantity Limits: For certain drugs, Kaiser Permanente may limit the drug quantity that is covered. We may also limit the amount of medication dispensed to a certain days supply.

Prior Authorization: Our plan may require you or your provider to obtain a prior authorization for certain drugs. This means that you will need to have approval from our plan before you fill your prescription. If you don't get approval, we may not cover the drug.

Medication Exception Process: Upon request, Kaiser Permanente may make an exception to our coverage rules and approve a drug for your prescription benefit that would otherwise not be covered.

This requires the drug to be reviewed through our medication exception process where it must be deemed medically necessary.

What is a generic drug?

Our plan covers both brand-name drugs and generic drugs. A generic drug is approved by the FDA as having the same active ingredient as the brand-name drug. Generally, generic drugs cost less than brand-name and specialty-tier drugs.

What is a brand-name drug?

Brand-name drugs are manufactured and sold by the pharmaceutical company that originally researched and developed the drug. When the patent on a brand-name drug expires, other pharmaceutical companies may manufacture and sell an FDA-approved generic version of the drug with the same active ingredient(s) at lower prices.

What are specialty-tier drugs?

Specialty-tier drugs are very high-cost drugs.

What are medical benefit drugs?

Medical benefit drugs may be covered by our plan when they are administered to you in a Participating Medical Office. Depending on your medical benefits, you may pay a cost share for the drug itself. Most administered medications and vaccines are only available as brand-name drugs.

What drugs are eligible to be mailed from the mail order pharmacy?

Most drugs can be mailed from our mail order pharmacy. Some drugs that are extremely high cost or require special handling may not be eligible for mailing. However, your prescription drug plan may allow you to receive an extended day supply (e.g. 90 day supply) of certain maintenance medications for a reduced copayment if you use the mail order pharmacy. A maintenance medication is one that Kaiser Permanente has determined would be taken long term and for chronic conditions for the majority of the population. Examples would include medications taken for high blood pressure, diabetes, high cholesterol, or asthma.

Kaiser Permanente Formulary

The formulary list that begins on page five provides coverage information about some of the drugs covered by our plan.

The first column of the chart lists the drug name. Brand-name drugs are capitalized (e.g. ALBENZA) and generic drugs are listed in lower-case italics (e.g. *amoxicillin*).

The second column, "Drug Tier," will indicate what tier number the drug is in. Drugs on our formulary are categorized in one of five tiers.

Tier 1 – Generics

Tier 2 – Preferred Brands

Tier 3 – Non-Preferred Brands

Tier 4 – Specialty

Tier 5 – Medical Benefit Drugs

The third column of the chart will indicate any requirements or limits for that drug.

DS = A drug that is limited to no more than a 30-day supply per dispense.

PA = A drug that requires specific medical criteria be met and requires approval by the plan prior to being dispensed for benefit.

QL = A drug that is limited to no more than a specific quantity within a certain period of days.

Contraceptive Drugs and Devices

Your provider may prescribe as medically necessary any FDA-approved contraceptive drug or device, including those on this formulary, which you will receive at no cost share. This formulary has a separate section below that lists the contraceptive drugs and devices in one place. Please note: The drugs are also listed in the main formulary section because a provider may prescribe the drugs to treat other medical conditions. When a drug is prescribed for a purpose other than contraception, cost shares and the “Requirements/Limits” column apply.

NONDISCRIMINATION NOTICE

Kaiser Foundation Health Plan of the Northwest (Kaiser Health Plan) complies with applicable federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. Kaiser Health Plan does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex. We also:

- Provide no cost aids and services to people with disabilities to communicate effectively with us, such as:
 - Qualified sign language interpreters
 - Written information in other formats, such as large print, audio, and accessible electronic formats
- Provide no cost language services to people whose primary language is not English, such as:
 - Qualified interpreters
 - Information written in other languages

If you need these services, call **1-800-813-2000** (TTY: **711**)

If you believe that Kaiser Health Plan has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance by mail or phone at: Member Relations, Attention: Kaiser Civil Rights Coordinator, 500 NE Multnomah St. Ste 100, Portland, OR 97232, telephone number: 1-800-813-2000.

You can also file a civil rights complaint with the U.S. Department of Health and Human Services, Office for Civil Rights electronically through the Office for Civil Rights Complaint Portal, available at <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf>, or by mail or phone at: U.S. Department of Health and Human Services, 200 Independence Avenue SW., Room 509F, HHH Building, Washington, DC 20201, 1-800-368-1019, 1-800-537-7697 (TDD). Complaint forms are available at <http://www.hhs.gov/ocr/office/file/index.html>.
