### Need to cancel? Please give 24-hour notice

If you can't keep a dental appointment, please call by noon the day before your appointment to cancel. This allows us to give your appointment to another member. To cancel, call one of the Dental Appointment Center numbers above or 1-800-813-2000.

We want to make it easy for you to get the dental care and services you need at Kaiser Permanente. This book provides a quick reference for many of the things you need to know. Please take a few minutes to look it over. Your *Evidence of Coverage (EOC)* describes your benefits and other important information about your coverage. If you'd like to know more about the benefits specific to your plan, please see your *EOC*. Individuals and Families Dental Plan members, please see your Membership Agreement.

### Urgent dental care

If you need urgent dental care, call the Dental Appointment Center. A representative will arrange for you to receive care as soon as possible.

See your *Evidence of Coverage (EOC)* and benefit summary for a description of your urgent dental care benefit. Examples of urgent dental care include treatment of toothaches, chipped teeth, broken fillings that cause irritation, and swelling around a tooth.

### Need help deciding on a dentist?

### Help in your language

Interpreter services, including American Sign Language (ASL), are available during business hours at no additional cost to members. Many of our doctors also speak more than one language. Call 1-800-324-8010 (toll free), or 1-800-813-2000 (toll free) or 711 (TTY).

## Emergency dental care

In a dental emergency, call the Dental Appointment Center for assistance or for arrangements to be seen for care. Emergency dental care involves treatment of sudden and unexpected conditions in or around the teeth and gums needing immediate attention.

Examples of emergency dental care include treatment of:

- Severe traumatic injury.
- Swelling that interferes with swallowing and/or breathing.
- Bleeding that does not stop.

For additional details on emergency dental care, see your *EOC*.

If you need emergency dental care or urgent dental care, there may be a fee, as shown in the benefit summary, in addition to any other applicable copayments or coinsurance. See your *EOC* and benefit summary for details.

After hours, ask to be connected to the advice nurse.

Members have a limited emergency benefit for services obtained outside the service area. See your *EOC* for details.

## Additional services

Many of our dental offices offer denture services, orthodontic services, and cosmetic services. These services may require a referral or are not covered benefits. See your *EOC* for benefit information. Find out more about these services at [kp.org/dental/nw](http://kp.org/dental/nw) or ask at your dental office.

## Dental Choice PPO plan members

If you are on a Dental Choice PPO plan, some of the information in this directory may not apply to you. Dental Choice PPO plans have some requirements and restrictions that are different from our other dental plans. Please read your *EOC* to fully understand how your plan works. This directory does not include all of the providers for your plan. For a complete listing, go to [kp.org/dental/nw](http://kp.org/dental/nw) to search our online directory or call 1-844-621-4577.

## Member and patient rights and responsibilities

At Kaiser Permanente, we believe maintaining good dental health is a very important part of your well-being. Providing the quality health care necessary to maintain your good health requires a partnership between you and your health care professionals. You need information to make appropriate decisions about your care and lifestyle choices. Your health care professionals need your involvement to ensure you receive appropriate and effective health care. Mutual respect and cooperation are essential to this partnership.

## When you're away from home

If you have a dental emergency outside the service area, go to the nearest dental care facility. You have limited coverage for qualifying emergency care. For more information about dental care benefits when you travel, see your *EOC* or call Member Services (see page 3).
