Sección 1: Introducción

Este directorio ofrece una lista de los proveedores de la red de Kaiser Permanente. Si desea obtener información detallada acerca de su cobertura de atención médica, consulte su **Evidencia de Cobertura (EOC)**.

Su Médico de Atención Primaria

Usted deberá escoger uno de los proveedores de nuestra red que figuran en este directorio como su **Médico de Atención Primaria (PCP)**. El término “PCP” se usará en todo el directorio. Por lo general, deberá obtener los servicios de atención médica de su PCP.

Su PCP cumple las normas estatales y está capacitado para brindarle atención médica primaria. Por lo general, ejerce la medicina general, también llamada medicina interna o medicina familiar. Las mujeres también pueden elegir especialistas en obstetricia y ginecología que el Grupo Médico designa como Médicos de Atención Primaria.

Su PCP le brindará la mayor parte de la atención. Si necesita un especialista, su PCP le ayudará a elegir un médico de esa especialidad y trabajará con él o ella como parte de su equipo de atención médica.

Puede elegir a su PCP de cualquiera de los proveedores de atención primaria de nuestra red que estén disponibles. Una vez que elija, su decisión entrará en vigencia inmediatamente. Si lo desea, puede cambiar a su PCP por cualquier motivo.

Elegir o cambiar a su médico

Consideramos que una parte importante de su salud integral es construir una relación de confianza con su médico de atención primaria. Este profesional es quien le brinda apoyo para sus necesidades y metas de salud y le ayuda con todo, desde sus exámenes de atención preventiva y consejos para llevar una vida más sana hasta tratarlo cuando esté enfermo.

Si es un miembro nuevo de Kaiser Permanente o si es un miembro desde hace mucho tiempo que busca un cambio, elegir un médico

personal para coordinar su atención es sencillo. Puede buscar información acerca de las certificaciones, las especialidades, los intereses y los idiomas que habla cada médico y mucho más en **kp.org/finddoctors** para encontrar el que sea adecuado para usted.

Si desea hacer un cambio, puede cambiar de médico en cualquier momento y por cualquier motivo.

Un médico para sus necesidades personales

Puede elegir un médico personal de alguno de los departamentos que se mencionan a continuación.

- **Medicina para Adultos o Interna** (Internistas)
- **Medicina Familiar** (Profesionales de medicina familiar)
- **Obstetricia y Ginecología** (Ob-Gin)
Este departamento proporciona atención integral de ginecología y obstetricia. Las mujeres entre los 18 y los 64 años de edad pueden elegir un ginecólogo y un médico personal. Animamos a las adolescentes sexualmente activas a que también elijan un ginecólogo.

Cómo elegir o cambiar a su médico

En línea

Use nuestro directorio para buscar profesionales de atención médica primaria que estén aceptando pacientes nuevos. Después, explore sus perfiles para encontrar el médico adecuado para usted. Siga estos sencillos pasos:

1. Vaya a **kp.org/finddoctors**.
2. Elija su área.
3. Limite su búsqueda por ciudad, nombre del médico, etc.
4. Haga clic en “Search”.
5. Lea sobre los médicos y haga clic en “Select me” cuando encuentre uno adecuado que acepte pacientes nuevos.

Teléfono

Llame a nuestro servicio de selección de médicos al **1-888-956-1616**, de lunes a viernes, de 7 a. m. a 7 p. m. Hablaremos con usted acerca de sus necesidades y le ayudaremos a tomar una decisión. Las personas con deficiencias auditivas o del habla deben llamar a TTY al **711**. Los miembros de su familia pueden elegir diferentes médicos en diferentes centros médicos.

Cómo Obtener la Atención Cubierta

Usted debe usar los proveedores de la red, excepto en situaciones que requieran atención de emergencia o de urgencia, o para hacerse diálisis renal fuera del área. Si recibe cuidados de rutina de proveedores fuera de la red, ni Medicare ni Kaiser Permanente serán responsables de pagar los costos.

Los proveedores de la red que aparecen en este directorio han acordado brindarle cobertura de atención médica y de servicios de la vista. Puede acudir a cualquiera de los proveedores de nuestra red que aparecen en este directorio. Sin embargo, es posible que se necesite una referencia para algunos servicios.

Su PCP lo referirá a un especialista del Plan cuando considere que necesita atención especializada. Algunos especialistas, como los especialistas en cirugía, ortopedia, cardiología, oncología, dermatología y terapia física, ocupacional y del habla necesitan una referencia. Sin embargo, no necesita una referencia para recibir atención especializada de proveedores de la red en las áreas de obstetricia y ginecología, optometría, psiquiatría y farmacodependencia.

Facturas de los proveedores fuera de la red

Si recibe una factura de un proveedor fuera de la red, no debe pagarla. Envíela a nuestro Departamento de Reclamaciones y se le informará cuánto deberá pagar.

Atención de emergencia y de urgencia

Si tiene una condición médica de emergencia, llame al **911** o vaya al hospital más cercano. Ante una condición médica de emergencia, cubriremos la atención de emergencia que reciba en cualquier parte del mundo.

Para mayor conveniencia y continuidad de la atención de salud, le recomendamos ir al Departamento de Emergencias de un hospital del Plan si está en nuestra área de servicio, pero solo si es razonable hacerlo, teniendo en cuenta su condición o los síntomas que presente.

Si tiene una emergencia, hablaremos con los médicos que le brinden la atención de emergencia para ayudar a coordinar su atención y darle seguimiento. Los médicos que le proporcionen la atención de emergencia determinarán en qué momento su condición es estable y cuándo termina la emergencia médica.

Después de ese momento, tiene derecho a acceder a la atención de seguimiento para asegurarse de que su condición continúe siendo estable. Nuestro Plan cubrirá su atención de seguimiento. Si quienes le brindan la atención de emergencia son proveedores fuera de la red, intentaremos hacer gestiones para que los proveedores de la red se encarguen de su atención tan pronto como su estado y las circunstancias lo permitan. Es muy importante que su proveedor fuera de la red nos llame para obtener autorización para la atención de posestabilización antes de recibir la atención del proveedor fuera de la red. Usted será responsable de los costos únicamente si el proveedor fuera de la red o nosotros le informamos acerca de su posible responsabilidad.

Usted debe usar los proveedores de la red, excepto en situaciones que requieran atención de emergencia o urgente, o para hacerse diálisis renal fuera del área, o que requieran otros servicios. Si recibe cuidados de rutina de proveedores fuera de la red, ni Medicare

ni Kaiser Permanente serán responsables de pagar los costos.

Ayuda en su idioma

Queremos hablarle en el idioma que usted prefiera cuando nos llame o venga para recibir servicios. Los servicios de interpretación, incluido el lenguaje de Señas, están disponibles sin costo para usted las 24 horas del día, los 7 días de la semana, durante todos los horarios de atención. Si usted o su familiar/cuidador necesitan ayuda con los servicios de interpretación, incluido el lenguaje de señas, los servicios de un intérprete calificado están disponibles para usted. No recomendamos mucho que familiares, amigos o menores sean sus intérpretes. Nuestros centros de llamadas

cuentan con intérpretes que hablan español, cantonés y mandarín, así como otros dialectos chinos. En la mayoría de nuestros centros de atención contamos con personal que habla más de un idioma y que está capacitado especialmente para interpretar y explicar términos y procedimientos médicos. Muchos de nuestros profesionales médicos también hablan más de un idioma. Si visita alguno de nuestros centros de atención y no hay nadie que hable su idioma, contamos con intérpretes de más de 150 idiomas que están disponibles por teléfono. Si necesita un intérprete de lenguaje de Señas, tenemos uno disponible por video o en persona.

Además del inglés, algunos proveedores que aparecen en este directorio hablan más idiomas. Consulte las claves a continuación que definen las abreviaturas para estos idiomas.
